Grant of Testimonial Immunity

WILLIAM L. CALLEY, JR.)
FIRST LIEUTENANT)
UNITED STATES ARMY)

Pursuant to powers granted me as a general court-martial convening by Congress and the President of the United States, proper application having been made and after due consideration of the needs of justice, I find that Sergeant (E-5) Kenneth Schiel, Headquarters and Headquarters Company, 1st Battalion, 504th Infantry, 82d Airborne Division, Fort Bragg, North Carolina, has elected to claim his Constitutional and Statutory rights against compulsory self incrimination and is likely to persist in such claim unless granted testimonial immunity; and, that Sergeant Schiel is believed to possess relevant information the disclosure of which would be in the best interests of the accused and the public.

Accordingly, it is ordered that no testimony given by Sergeant Kenneth Schiel in the general court-martial of said First Lieutenant William L. Calley, Junior, convened at Fort Benning, Georgia, by court-martial convening order number 70, dated 24 November 1969, as amended, or any information gained as a result of said testimony, shall be used by the United States in any criminal prosecution or any other such proceeding which would be empowered to exact any penalty or forfeiture from him, except that he shall not be exempt from prosecution or punishment for perjury or contempt in so testifying.

Dated this 16th day of February, 1971.
