

ACKNOWLEDGEMENT OF UNDERSTANDING OF SERVICE REQUIREMENTS DATE  
ARMY ROTC FINANCIAL ASSISTANCE PROGRAM

1 SEP 1965

In connection with my enlistment as a Reserve of the Army, This Date I hereby agree to and understand that -

I incur by law a military obligation of 6 years unless sooner discharge by proper authority.

So long as I continue enrollment in ROTC under my ROTC Financial Assistance Contract I will not be required to participate in Reserve training or be ordered to active duty for training or to active duty.

If as a result of [willful evasion] of the terms of my Army ROTC Financial Assistance Contract I do not complete the Senior Reserve Officer's Training Corps program of instruction, or if I complete the course of instruction and decline to accept a commission when offered I may be ordered to active duty in my enlisted grade for such period as the Secretary of the Army may prescribe but for not more than four years.

At such time as I may be accepted for resident graduate or professional study, the Secretary of the Army may delay the commencement of my obligated period of active duty as a commissioned officer until the completion of that study.

Should I be called to active duty under the terms of this enlistment, and if after performing such active duty I am assigned to or voluntarily join a Ready Reserve unit I will participate satisfactorily in the scheduled drills (as many as 48 per year) and annual active duty for training (not more than 17 days per year) of that unit until the fifth anniversary of my enlistment unless excused therefrom by proper authority. I will then be eligible for transfer to the Standby Reserve for the remainder of my enlisted service obligation and will be so transferred unless I elect to remain in the Ready Reserve by executing appropriate Department of the Army agreements. I understand that as a reservist, I must reply promptly to any military correspondence directed to me.

I also understand that in computing length of service for any purpose, an officer appointed under the Senior Reserve Officer's Training program of instruction may not be credited with enlisted service for the period covered by his ROTC training.

In the event of war or national emergency declared by Congress, my enlistment, which would otherwise expire, will be continued in effect until 6 months after the end of such war or emergency, unless sooner terminated.
