<p>1. I, the above named individual, having been selected by authority of the Secretary of the Army for <input checked="" type="checkbox"/> "enrollment" <input type="checkbox"/> "continuance" in the Army Reserve Officers' Training Corps, hereby agree to complete the basic course, if enrolled therein; to enroll in and complete the advanced course (or MST 5 and 6 course) at the proper time, if accepted therefor; upon completion or termination of the course of instruction therein, <u>to accept a commission, if tendered</u>; to serve on active duty for a period of not less than two years after receipt of such commission, subject to order by the Secretary of the Army; and to remain a member of a Regular or Reserve component of the Army until the sixth (6th) anniversary of the receipt of my commission unless sooner terminated; or, if the Army does not require my service on active duty in fulfillment of this obligation, to serve on active duty for training for a period of six months after receipt of such commission and to remain a member of a Reserve unit until the eighth (8th) anniversary of receipt of my commission.</p> <p>2. In view of this agreement, it is understood that I shall be deferred from induction for training and service under the Universal Military Training and Service Act, as amended, until completion or termination of the course of instruction and thereafter so long as I continue in a Regular or reserve component status upon being commissioned. I further understand, however, that if I am ordered to only 6 months active duty for training after being commissioned, my deferment will be continued so long as I participate satisfactorily in the Ready Reserve until the eighth anniversary of my appointment unless, because of my reserve component status, I am required to participate satisfactorily from the date of my commission for only 4 years or until completion of any previously acquired obligation under Sec 4(d)(3), UMT&S Act, whichever is longer. It is further understood that in the event that I am not accepted into the advanced course, Army ROTC, at the beginning of the first academic year, semester, or term in which I become eligible therefor, the terms of this agreement and the deferment granted me will no longer be in effect.</p> <p>3. Notwithstanding the foregoing, it is understood that I am required to register under section 3 of said Act if I have not already done so, and it is further understood that, in the event I voluntarily, or through failure to meet required academic or other standards, do not complete said course of instruction, or in the event I am not tendered a commission, the deferment from induction by reason of this agreement shall cease. I recognize it is my obligation to notify my local board of this agreement and the termination thereof.</p> <p style="text-align: center;"> SIGNATURE OF STUDENT (SEAL)</p>
