SWORN STATEMENT

Am ARNDT L. MUELLER WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

Mr. Faul came to my attention sometime last year - SY 1968 - 69. I had received reports that he wasn't performing as well as might be expected of a scholarship student.

During the interview, Mr. Faul stated that he had worked from 50 - 54 hours a week during the fall semester of 1968 in order to support a wife and small child. But he said that he had a new job for 40 hours a week. On this job he would find some opportunity to study. So I kept him on as a scholarship student because frankly I was sympathetic with him. He had undertaken a heavy responsibility.

The next time I had contact with Mr. Faul occurred during May. He called me to tell me that he was going to refuse his commission. This came about because Mr. Faul had tried to obtain a change in assignment from a combat to a non-combatant arm thru Congressional action. This was denied by the Department of Army.

I, in turn, reminded Mr. Faul of his contractual obligation.

Mr. Faul followed the call up with a letter. I replied with a letter attaching to it a reproduction of the Army Regulations governing application for consideration as a conscientious objector. Mr. Faul never took any action on this.

The next time, I saw Mr. Faul was at the commissioning site. He was accompanied by a lady I assumed to be his wife and a small child. They were carrying signs.

I told Mr. Faul he was expected to come inside to receive his commission. I later went back to Mr. Faul and repeated my statement. He indicated that he understood. But he never participated in the commissioning ceremony. *Am*
