RULES FOR DETERMINING ADMISSIBILITY OF PREVIOUS CONVICTIONS

(See MCM, 1951, Paragraphs 68d and 75b(2))

Previous convictions must relate to offenses committed during a current enlistment, voluntary extension of enlistment, appointment, or other engagement or obligation for service of the accused, and during the three years next preceding the commission of any offense of which the accused stands convicted. When the last enlistment, appointment, or other engagement or obligation for service was terminated under other than honorable conditions, or when the accused deserted and subsequently fraudulently enlisted, all convictions by courts-martial of offenses committed in the prior term of service, if within the three-year period, are admissible, even though such prior term of service was in an armed force other than the one in which he is serving at the time of trial. In computing the three-year period, periods of unauthorized absence as shown by the findings in the case or by the evidence of previous convictions

should be excluded.

For the purpose of determining the admissibility of previous convictions, retention of an accused beyond the normal expiration date of his term of service by operation of law shall not be deemed to create a new enlistment, a voluntary extension of enlistment, a new appointment, or other new engagement or obligation for service.

No proceeding in which an accused has been found guilty by a court-martial upon any charge or specification shall, as to such charge or specification, be admissible as a previous conviction, until the finding of guilty has become final after review of the case has been fully completed.

INTRODUCING EVIDENCE OF PREVIOUS CONVICTIONS

NOTE: To be considered by a court-martial, previous convictions must be ADMITTED in evidence. Ordinarily, they are proved by introducing in evidence a duly authenticated extract copy of accused's military personnel record (DD Form 493). After the Record of Previous Convictions has been marked for identification (See page 512, MCM, 1951) and shown to the defense counsel, the introduction proceeds as follows:

TC: Prosecution Exhibit _____ for identification, a duly authenticated extract copy of the accused's military personnel record of previous conviction(s) by court-martial, is offered in evidence as Prosecution Exhibit _____.

DC: (No objection). (The accused objects to _____ on the grounds that _____.)

LO (Pres): (Subject to objection by any member of the court). Prosecution Exhibit _____ for identification is (is not) admitted in evidence as Prosecution Exhibit _____.
