Mr. Thomas R. Partsch,

Johnstown, Pennsylvania 15902

Dear Mr. Partsch:

I am the military counsel representing Sergeant Charles E. Hutto. Sergeant Hutto is on trial for assault with intent to commit murder of not less than six Vietnamese arising out of the combat assault mission at My Lai (4). I am well aware that you are probably very tired of constant contact as pertains to these cases. However, it is most important to Sergeant Hutto's case that I speak with you in person. I am free to come to your home or wherever else you direct. I would like to see you in the next two to three weeks. I will attempt to call you no later than 22 October 1970. If I do not make contact please call me collect at:

752-4265 - 7:30 - 4:15

or

758-2432 - Nights.

On behalf of Sergeant Hutto, let me thank you for your cooperation.

Sincerely,

JAMES W. LANE
Captain, JAGC
