

1. Sgt. Schild has arrived in Headquarters and Headquarters Company since being initially assigned to Fort Bragg. Even the Sgt. Schild has PCS'd to USA to face GCM charges, he maintained

The ~~Sgt. Schild~~ because the center of much movement and interest in Fort Bragg. The announcement of the Major's investigation of the investigation phase of the investigation action and until his PCS to USA, Sgt. Schild maintained an excellent military bearing despite the constant publicizing forced upon him. While at Fort Bragg, I am aware of no individuals that would change his past record of performance. After charges were dismissed against him, he was once again assigned to this company. To this date he has continued to perform his assigned duties with professional accuracy despite constant interruption by and pressure to relocate. It is my opinion that the lack of justice would best be met by favorable action on his recommended approval. Recommended favorable

Discharge to be issued.
