Dear Member:

We thank you for your financial support through payment of membership dues, current statement for which is enclosed, and for your assistance in other ways in the development of our program and activities. Your interest and support of the Society now, as well as in the future years, will make possible the continued progress of our work.

To facilitate a more efficient and economical operation, the Society's billing procedure is organized so that all Society members in a state receive their dues statement during the same month.

New members who joined the Society during the past year have the privilege of prorating this payment on a quarterly basis, i.e., 75 per cent if you joined 7 to 9 months ago, 50 per cent if you joined 4 to 6 months ago, or 25 per cent if you joined less than 4 months ago. Should you care to send the total amount, it will be used to enlarge the programs of the Society.

Please send as soon as possible:

- ☐ Order list of Society publications.
- ☐ Membership applications for _____ of my friends.
- ☐ Information about the Society's group insurance programs.
