

MGEN ANDREW H. ANDERSON USA (RTD.)
PAST PRESIDENT 2004 - 2006

29 OCT 06

Dick,

Here are most of the comments I made during our reunion in Hawaii.

I have also included a letter to all the Veterans of the 12th Evac. I believe the reunion was a great success and hope your guys + gals enjoyed it as well.

I received a nice note from Beth Parks along with a picture of us taken during presentation of the "OR" photo. Do hope some of your folks can come to our Lexington reunion next year. After all you are Tropic Lightning family.

Warm regards,

Andy
