FPO San Francisco 96601

18 April 1966

From: Master, USNS GEN. JOHN POPE (T-AP 110)  
To: All on Board

Subj: Uniforms for Inspection

1. It is anticipated that there will be a Formal Administrative Inspection held in this ship during the forthcoming port stay at San Francisco.
2. Neatness of personnel and wearing the proper uniform is a big factor in making the Inspection successful.
3. All Unlicensed personnel (other than CPO's and Steward) will insure that they are in possession of a clean set of dungarees, white sailor hat, black shoes and socks. Some of the items above may be purchased in the ship's store.
4. Ship's Officers, CPO's and Steward Department Personnel will wear the prescribed uniforms.
5. There will definitely be no wearing of civilian or dirty clothes during the Inspection days.
6. The Master urges that all personnel cooperate fully and make the USNS POPE a ship to be proud of.
