TO: Radio Officers Aboard RCA-Licensed Vessels

Gentlemen:

As previously announced, there will be no special illustrated folders prepared by our associated candy companies this year nor do these vendors intend to offer items packed exclusively for Thanksgiving and Christmas, 1967 or Valentine's Day, 1968.

Radio Officers are reminded that all selections on the SCHRAFFT'S and LOFT'S year 'round list as they appear on pages 30-31 of your latest RCA Marine Coast Station Information book (Feb. 1967) will be available during the forthcoming holiday season and may be ordered for timely delivery during the Thanksgiving and Christmas occasions. These candies will be appropriately wrapped and decorated for each holiday, and also will include special confections typical of each gift day.

Please plan to transmit your gift orders through RCA's coastal stations well ahead of the gift delivery date so that all orders can have the special attention of our coast stations' staffs and of each shoreside office. Your past cooperation in ordering gifts early has been most helpful in maintaining the reliability of the RADMARGIFT Service and is much appreciated.

SCHRAFFT'S Candies have announced a change in the prices and contents of two of their Standard Line items which will apply until further notice. The two selections effected and new details applicable are:
