

USNS GENERAL JOHN POPE (T- AP 110)

The Captain's Farewell Message

In the tradition of all seafaring men
since the days of the Vikings, this Dinner
is in honor of you, our guests.

I wish to express 'Thanks' on behalf of
the crew, both military and civilian for
your cooperation and the spirit of good
fellowship during this voyage.

It has been a pleasure having you aboard
and we hope to have the pleasure again when
next you sail.

We won't say 'Good bye', just farewell
until we meet again.

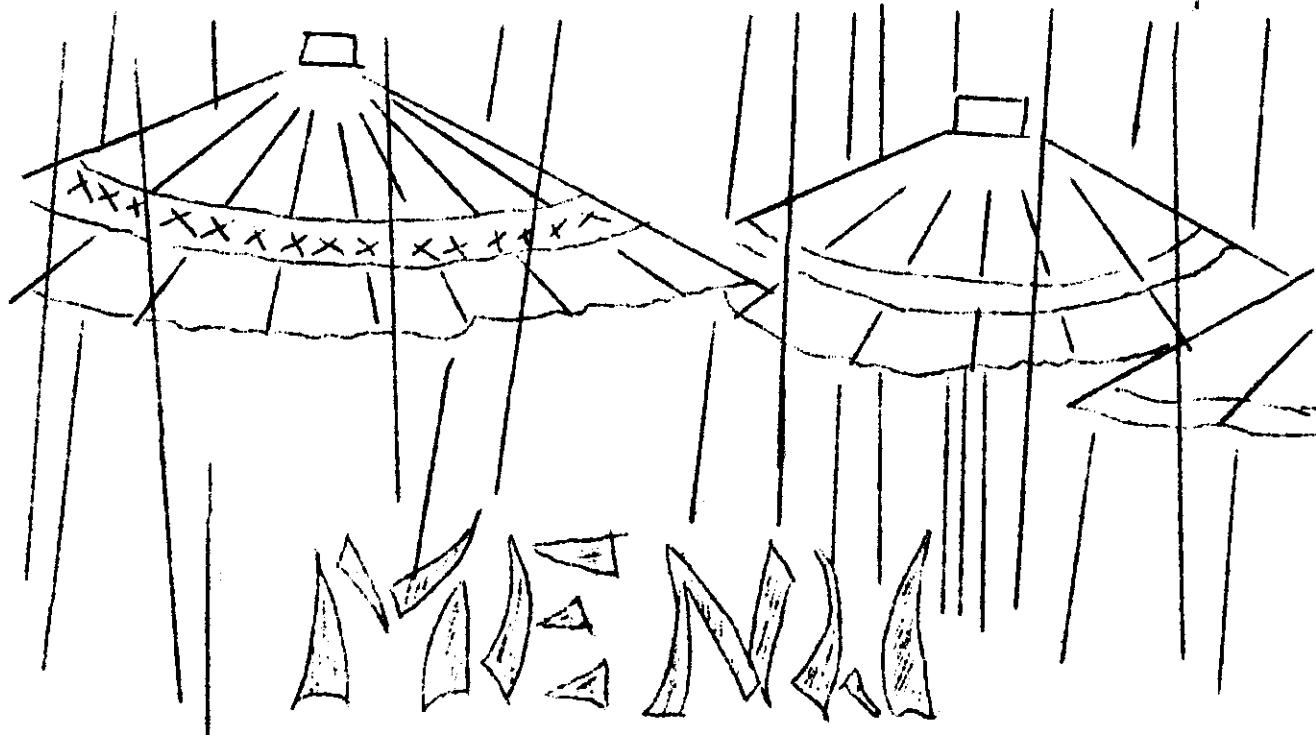

Good Luck and may Good Bless you all.
