

1970 United States Government Calendar

THIS CALENDAR PAD IS DESIGNED TO BE USED THREE-ON...

This arrangement shows any three consecutive months desired. The most common use would show the past, current, and following months.

Leaves are printed on both sides so that each pad can be used to show three months on one board or any six consecutive months on two boards. Two pads on four boards can be used to show an entire year.

Separate the leaves at the perforation and place on board as desired.

Boards fitted with hooks for handling the calendars three-on may be ordered as a separate item. Do not destroy the boards as they can be used year after year.
