WITH RESPECT TO
ELECTRICAL TRANSMISSIONS DURING MINIMIZE

Example: MSTS 3040-1 (MIN:ETAUTH)

Authorization Category	Notation (In Parentheses)		Equivalent Narrative Identification
	By Requirer, In Directive	By Preparer, In Submission	
1. Requirer determines that submission need not involve electrical transmission under either normal or MINIMIZE communications conditions.			A negative notation is not required.
2. Requirer may desire submission by electrical transmission under normal conditions, but decides not to authorize such transmission during MINIMIZE.			
3. Requirer authorizes submission by electrical transmission during MINIMIZE, only under specified circumstances. Preparer determines that those circumstances:	"MIN:ETCONDL"	See 3a and 3b below.	"During MINIMIZE, electrical transmission is conditional."
a. Do not exist.	See 3 above.	"MIN:ETAUTH"	"During MINIMIZE, electrical transmission is authorized."
b. Exist.			
4. Requirer authorizes electrical transmission of all submissions under MINIMIZE conditions.	"MIN:ETAUTH"		"During MINIMIZE, electrical transmission is authorized."
5. Based on special or unexpected circumstances, preparer, in the best interest of the Navy, authorizes electrical transmission during MINIMIZE where requirer has not done so.	Not applicable.	"MIN:ETAUTH"
