Subj: Safety and Moral Leadership Meeting; report of

1. Safety meeting for the Deck Department personnel was held at the Crew Day Room at 1515 hours this date with thirty-two (32) members present.
2. Minutes of the previous meeting were read, reviewed and discussed.
3. No accidents were reported since the last meeting.
4. The following unsafe practice was brought up:
 - a. During fire drill, a crew member was tending the fire hose. Instead of holding the nozzle, he was stepping on it. He was approached by one of the old-timers and told him to grab the nozzle before the fire hose gives him a fight and a bite.
5. An article from SAFETY NEWSLETTER (July 1966) entitled "SAFETY INSPECTION" was read.
6. A ten-minute moral and sanitation leadership discussion followed. The following were discussed:

Keeping our living quarters livable in real sense - clean, a place for the limited things we are supposed to carry and everything in its place, and above all, due respect to right of roommates.
7. The meeting was adjourned at 1545 hours.
