Subj: Report of Command Safety Council; action on

Encl: (1) Command Safety Council Meeting; report of

1. The report of the Command Safety Council Meeting of 11 December 1968, enclosure (1), is approved. Continued positive and concerted effort is needed to improve our safety record. Effective management action is the key to accident reduction. The quality of management safety efforts are decisive in motivating personnel to safe performance. Observing these precepts, Masters, COMILDEPTS, COMSTSO's and cognizant COMSTSPAC Staff Officers are to carry out the recommendations of the Council and direct their personal attention to improving our safety image.

2. Addressees who have not reported compliance with the previous recommendation of the Council on 18 September 1968 are to expedite submission of the required reports.

3. I commend and thank personnel of the following ships and shops that had no disabling work injuries in 1968 for their accident prevention efforts.
