

Ser: P-01B/ 3 21 3

27 MAY 1966

FIRST ENDORSEMENT on Chief Inspector, MSTSPAC, ltr P-01B of 11 May 1966

From: Commander Military Sea Transportation Service, Pacific Area

To: Master, USNS GENERAL JOHN POPE (T-AP 110)

Commanding Officer, Military Department, USNS GENERAL JOHN POPE (T-AP 110)

Subj: Formal Administrative Inspection of USNS GENERAL JOHN POPE (T-AP 110)
for fiscal year 1966 (MSTS Report 3590-1)

Ref: (b) MSTSPACINST 3590.7E

1. The remarks, recommendations, and marks of evaluation in subject inspection are approved.
2. My opinion of the ship is that she is capable of carrying out her assigned missions in an efficient manner, and she is considered to be an effective unit of the Military Sea Transportation Service.
3. In accordance with reference (b), reinspections of the unsatisfactory conditions noted in the general administration and cleanliness and preservation of the Engine Department will be conducted during the next inport period and each inport period thereafter until unsatisfactory conditions are corrected.
4. You are hereby directed to take immediate and positive action to correct both minor and major deficiencies noted by the MSTSPAC inspection party and to submit a report of corrective action taken on the latter to Commander Military Sea Transportation Service, Pacific Area in accordance with paragraph 10.c. of reference (a).
5. The overall grade of GOOD with a mark-percentage of 82.68 is noted.

Wm. D. IRVIN
