Subj: Departmental Safety and Moral Leadership Meeting Report of

Ref : (a) CMPI 5100

1. In accordance with reference (a) the ENGINE Departmental semi-monthly Safety and Moral Leadership meeting was held from 1200 to 1240 this date with 22 men attending. The meeting was conducted by Mr. M. S. CHAMBERLAIN, Chief Engineer.

2. Since the last departmental Safety and Moral Leadership meeting there have been no lost time accidents and no first aid injuries in the engine department.

3. The following five minute Safety Talk, Book # 2 Talk #47 Title "SAFE USE OF TOXIC CHEMICALS" was given. Five minute Safety Talk from MSIS Safety Manual/COMSTS Instr-5100-17 Chapter      Subject      can be also used in lieu of 5-minute Safety Talk Books.

4. The principal topics were discussed; safety suggestions made, and Safety hazards noted, are as follows:

a. Read carefully instructions on labels when using chemicals. It is further recommended that metal instructions and label plates be sweated on metal drum containers when subject to the weather elements.

b. Never stow chlorine and soap together.

c. Instructions for Bilge liquid cleaner must be fully understood before using.

d. Personnel were warned that electrical repairs must be done by qualified electrician only.

5. Other subject (s) were discussed: Moral Leadership     

a. Talk on Moral Leadership regarding Training and Upgrading.

b. Several articles published in Safety Review Booklets were read and discussed.
