| 994628 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 3-7/8 in. outside diam. of belt groove                                                                                                                                                    |
| 994629 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 4 in. outside diam. of belt groove                                                                                                                                                        |
| 994630 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 4-1/8 in. outside diam. of belt groove                                                                                                                                                    |
| 994631 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 4-1/4 in. outside diam. of belt groove                                                                                                                                                    |
| 994632 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 4-3/8 in. outside diam. of belt groove                                                                                                                                                    |
| 994633 | ----- | Machine Driving Pulley (1/2 in. V-belt groove) 4-1/2 in. outside diam. of belt groove                                                                                                                                                    |
| 994646 | 24618 | Switch Box with Switch and Fuse Box complete, for Two Phase Alternating Current Electric Transmitters, for Ratings of 250 Volts or less (Four Pole) Nos. 994663 and 994672                                                               |
| 994647 | 24615 | Capacitor, Capacitor Box and Switch complete, for 1/2 H.P. Single Phase Capacitor Type Electric Transmitters, Nos. 1785, 50737, 67218, 798666, 994649, 994655, 994656 and two each 50637 and 51734                                       |
| 994649 | 24615 | Switch Box for 994647 and 994672                                                                                                                                                                                                         |
| 994649 | 24617 | Switch and Fuse Box for 994652                                                                                                                                                                                                           |
| 994650 | 24617 | Switch for 994652                                                                                                                                                                                                                        |
| 994651 | 24618 | Switch for 994672                                                                                                                                                                                                                        |
| 994652 | 24617 | Switch Box and Switch and Fuse Block complete, for 1/2 H.P. Poly Phase Electric Transmitters, for Ratings up to and including 250 Volts A.C., Nos. 1785, 50737, 67218, 798226, 994649, 994650, two each 50637, 51734, 51735X and 140503X |
| 994654 | 24616 | Switch Box with Switch (three pole) complete, for 1/2 H.P. Three Phase Electric Transmitters for Ratings above 250 Volts                                                                                                                 |
| 994655 | 24615 | Capacitor Clamp for 994647                                                                                                                                                                                                               |

## NUMERICAL LIST OF PARTS

| No.    | Plate | Name                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| 994689 | ----- | Heater Coil for Switch No. 994647, for S523155, S523155W, S532156, and S532156W Electric Transmitters.....                                                                                                                                                             |
| 994690 | ----- | Heater Coil for Switch No. 994647 for S533147, S533147W, S533148 and S533148W Electric Transmitters.....                                                                                                                                                               |
| 994692 | ----- | Heater Coil for Switch No. 994654, for 280 Volts, for S52235G-N, S52235G-NW, and for Switch No. 994654, for 220 Volts, for S52236M-N, S52236M-NW, Electric Transmitters.....                                                                                           |
| 994693 | ----- | Heater Coil for Switch No. 994654, for 260 Volts, for S53235C-N, and S53235C-NW Electric Transmitters.....                                                                                                                                                             |
| 994694 | ----- | Heater Coil for Switch No. 994654, for 190 Volts, for S52235H-N, S52235H-NW, for Switch No. 994654, for 220 Volts, for S52332L-N, S52332L-NW, S53236M-N, and S53236M-NW and for Switch No. 994654, for 160 Volts, for S52335G-N, S52335G-NW Electric Transmitters..... |
| 994695 | ----- | Heater Coil for Switch No. 994654, for 160 Volts, for S53234G-N and S53234G-NW Electric Transmitters.....                                                                                                                                                              |
| 994696 | ----- | Heater Coil for Switch No. 994654, for 260 Volts, for S52235C-N, and S52235C-NW and for Switch No. 994654, 280 Volts, for S53234G-N, S53234G-NW, S53334G-N, and S53334G-NW Electric Transmitters.....                                                                  |
| 994697 | ----- | Heater Coil for Switch No. 994654, for 130 Volts, for S52235C-N and S52235C-NW Electric Transmitters.....                                                                                                                                                              |
| 994698 | ----- | Heater Coil for Switch No. 994654, for 130 Volts, for S52235C-N, and S52235C-NW Electric Transmitters.....                                                                                                                                                             |
| 994699 | ----- | Heater Coil for Switch No. 994654, for S52235H-N, S52235H-NW, S52235L-N, S52235L-NW, S52235P-N, S52235P-NW, S52235X-N, S52235X-NW, S52236X-N, S52236X-NW, S52335G-N, S52335G-NW, S52335P-N, S52335P-NW, S53235P-N, and S53235P-NW Electric Transmitters.....           |
| 994700 | ----- | Heater Coil for Switch No. 994654, for 380 Volts, for S52232L-N, S52232L-NW, for Switch No. 994654, for 260 Volts, for S52335C-N, S52335C-NW, for Switch No. 994654, for 280 Volts, for S53235G-N, and S53235G-NW, Electric Transmitters.....                          |
| 994701 | ----- | Heater Coil for Switch No. 994647, for S533141 and S533141W Electric Transmitters.....                                                                                                                                                                                 |
| 994703 | ----- | Fusetron for Switch No. 994646, for S522267, S522267W, S522268, S522268W, S523267, S523267W, S523268, S523268W and for Switch No. 994652, for S523357, S523357W, S523358, S523358W, S523367, S523367W, S523368 and S523368W, Electric Transmitters.....                |
| 994704 | ----- | Fusetron for Switch No. 994652, for S522355, S522355W, S523353, S523353W, S532355, and S532355W Electric Transmitters.....                                                                                                                                             |

## NUMERICAL LIST OF PARTS

| No.    | Plate | Name                                                                                                                                                                                                                                                                                                                 |
|--------|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 994711 | ----- | Disconnect Plug Base (female) for light lead, for 995038 and 995039.....                                                                                                                                                                                                                                             |
| 994713 | ----- | Disconnect Plug Cap (male) for light lead 995038 and 995039.....                                                                                                                                                                                                                                                     |
| 994718 | ----- | Heater Coil for Switch No. 994647, for S523154, S523154W, S532165, and S532165W Electric Transmitters.....                                                                                                                                                                                                           |
| 994730 | ----- | Heater Coil for Switch No. 994654 for 220 Volts, for S52235L-N, S52235L-NW, S52335L-N, S52335L-NW, S52336M-N, S52336M-NW, S52335L-N, S52335L-NW, for Switch No. 994654, for 190 Volts, for S52335H-N, S52335H-NW, and for Switch No. 994654, for 180 Volts, for S53235H-N, and S53235H-NW Electric Transmitters..... |
| 994799 | 24612 | Transmitter Pulley Flange Pulley Retaining Cup.....                                                                                                                                                                                                                                                                  |
| 994813 | NOTE: | No. 994799 is sent with each Transmitter but is required only when a sheet metal pulley is used.                                                                                                                                                                                                                     |
| 994817 | ----- | Heater Coil for Switch No. 994647, for S523156, S523156W, S523165, S523165W, S532157, S532157W, S532158, S532158W, S532166, S532166W, S532167, S532167W, S532168, and S532168W Electric Transmitters.....                                                                                                            |
| 994821 | ----- | Heater Coil for Switch No. 994647, for S523164 and S523164W Electric Transmitters.....                                                                                                                                                                                                                               |
| 994833 | ----- | Heater Coil for Switch No. 994654, for 220 Volts, for S52232L-N and S52232L-NW, for Switch No. 994654, for 160 Volts, for S52235G-N, S52235G-NW, S53334G-N and S53334G-NW, for Switch No. 994654, for 130 Volts, for S52335C-N, and S52335C-NW Electric Transmitters.....                                            |
| 994834 | ----- | Disconnect Plug Base (male) for supply lead, for 995038.....                                                                                                                                                                                                                                                         |
| 994856 | 24614 | Disconnect Plug Connector Body (female) for supply lead for 995038.....                                                                                                                                                                                                                                              |
| 994871 | 24612 | Belt Tightener Link Strap for 995029.....                                                                                                                                                                                                                                                                            |
| 994872 | 24611 | Transmitter Belt Guard Bracket.....                                                                                                                                                                                                                                                                                  |
| 994873 | 24611 | Transmitter Brake Ring Lever for 994911.....                                                                                                                                                                                                                                                                         |
| 994874 | 24610 | Transmitter Clutch Actuating Lever.....                                                                                                                                                                                                                                                                              |
| 994875 | 24609 | Transmitter Housing for 994919.....                                                                                                                                                                                                                                                                                  |
| 994879 | 24611 | End Cover (terminal box end).....                                                                                                                                                                                                                                                                                    |
| 994880 | ----- | Transmitter Brake Ring for 994911.....                                                                                                                                                                                                                                                                               |

| 994920 | 24610 | Transmitter Housing Air Baffle Disc for 994919                                                                                                                                                                                                  |
| 994921 | 24610 | Rotor Shaft Ball Bearing (pulley end) Retaining Plate                                                                                                                                                                                           |
| 994922 | 24609 | Terminal Box Cover                                                                                                                                                                                                                              |
| 994923 | 24610 | Rotor Shaft Ball Bearing (terminal box end) Grease Retainer                                                                                                                                                                                     |
| 994925 | 24610 | Rotor complete for Series S52 and S52W Single Phase Electric Transmitters                                                                                                                                                                       |
| 994927 | ----- | Rotor complete for Series S53 and S53W Single Phase Electric Transmitters                                                                                                                                                                       |
| 994929 | ----- | Rotor complete for Series S52 and S52W Poly Phase (50 and 60 Cycles) Electric Transmitters                                                                                                                                                      |
| 994931 | ----- | Rotor complete for Series S53 and S53W Poly Phase (except S532241, S532241W, S532247, S532247W, S532248, S532248W, S532341, S532341W, S532345, S532345W, S532347, S532347W, S532348, S532348W, S53234G-N, and S53234G-NW) Electric Transmitters |
| 994932 | ----- | Belt Tightener (left hand drive) complete, for Alternating Current (40, 50 and 60 Cycles) Nos. 701097, 701285, 994934, 994936, 994937, 994940, and two each 51757X, 994938 and 994939                                                           |
| 994933 | 24613 | Belt Tightener (right hand drive) complete, for Alternating Current (40, 50 and 60 Cycles) Nos. 701097, 701285, 994935, 994936, 994937, 994940 and two each 51757X, 994938 and 994939                                                           |
| 994934 | ----- | Belt Tightener Base for 994932                                                                                                                                                                                                                  |
| 994935 | 24613 | Belt Tightener Base for 994933                                                                                                                                                                                                                  |
| 994936 | 24613 | Belt Tightener Link for 994932, 994933, 995019 and 995020                                                                                                                                                                                       |
| 994937 | 24613 | Belt Tightener Adjusting Bracket for 994932, 994933, 995019, 995020 and 995029                                                                                                                                                                  |
| 994938 | 24613 | Belt Tightener Link Pin for 994932, 994933, 995019, 995020 and 995029                                                                                                                                                                           |
| 994939 | 24613 | Belt Tightener Link Pin Retainer for 994932, 994933, 995019, 995020 and 995029                                                                                                                                                                  |
| 994940 | 24613 | Belt Tightener Adjusting Bracket Screw for 994932, 994933, 995019, 995020 and 995029                                                                                                                                                            |
| 994941 | ----- | Stator complete for S532367 and S532367W Electric Transmitters                                                                                                                                                                                  |
| 994942 | ----- | Stator complete for S532267 and S532267W Electric Transmitters                                                                                                                                                                                  |

## NUMERICAL LIST OF PARTS

| No.    | Plate | Name                                                                                                                                                                             |
|--------|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 994943 | ----- | Stator complete for S523367 and S523367W Electric Transmitters                                                                                                                   |
| 994944 | ----- | Stator complete for S532161 and S532161W Electric Transmitters                                                                                                                   |
| 994945 | 24609 | Stator complete for S523161 and S523161W Electric Transmitters                                                                                                                   |
| 994951 | 24612 | Transmitter Pulley Flange with three 994463                                                                                                                                      |
| 994952 | ----- | Heater Coil for Switch No. 994647 for S523151, S523151W, S523152, S523152W, S523161, S523161W, S532154, S532154W, S532163, S532163W, S532164, and S532164W Electric Transmitters |
| 994953 | 24611 | Transmitter Clutch Actuating Lever Sleeve Pin Bearing                                                                                                                            |
| 994965 | ----- | Stator complete for S523361 and S523361W Electric Transmitters                                                                                                                   |
| 994966 | ----- | Stator complete for S523366 and S523366W Electric Transmitters                                                                                                                   |
| 994967 | ----- | Stator complete for S52336Y-N and S52336Y-NW Electric Transmitters                                                                                                               |
| 994968 | ----- | Stator complete for S523268 and S523268W Electric Transmitters                                                                                                                   |
| 994969 | ----- | Stator complete for S523362 and S523362W Electric Transmitters                                                                                                                   |
| 994970 | ----- | Stator complete for S523368 and S523368W Electric Transmitters                                                                                                                   |
| 994971 | ----- | Stator complete for S52336M-N and S52336M-NW Electric Transmitters                                                                                                               |
| 994972 | ----- | Stator complete for S52336X-N and S52336X-NW Electric Transmitters                                                                                                               |
| 994973 | ----- | Stator complete for S523261 and S523261W Electric Transmitters                                                                                                                   |
| 994974 | ----- | Stator complete for S523262 and S523262W Electric Transmitters                                                                                                                   |
| 994975 | ----- | Stator complete for S523267 and S523267W Electric Transmitters                                                                                                                   |
| 994976 | ----- | Stator complete for S522367 and S522367W Electric Transmitters                                                                                                                   |
| 994977 | ----- | Stator complete for S522366 and S522366W Electric Transmitters                                                                                                                   |
| 994978 | ----- | Stator complete for S522368 and S522368W Electric Transmitters                                                                                                                   |
| 994979 | ----- | Stator complete for S52236Y-N and S52236Y-NW Electric Transmitters                                                                                                               |
| 994980 | ----- | Stator complete for S52236M-N and S52236M-NW Electric Transmitters                                                                                                               |
| 994981 | ----- | Stator complete for S522267 and S522267W Electric Transmitters                                                                                                                   |
| 994983 | ----- | Stator complete for S522361 and S522361W Electric Transmitters                                                                                                                   |
| 994984 | ----- | Stator complete for S522362 and S522362W Electric Transmitters                                                                                                                   |
| 994985 | ----- | Stator complete for S52236X-N and S52236X-NW Electric Transmitters                                                                                                               |
| 994986 | ----- | Stator complete for S522261 and S522261W Electric Transmitters                                                                                                                   |
| 994987 | ----- | Stator complete for S522262 and S522262W Electric Transmitters                                                                                                                   |
| 994988 | ----- | Stator complete for S522268 and S522268W Electric Transmitters                                                                                                                   |
| 994989 | 24610 | Transmitter Flywheel for Series S52, S52W, S53, and S53W Single Phase and Poly Phase (except 60 Cycles) Electric Transmitters                                                    |
| 995004 | ----- | Stator complete for S532366 and S532366W Electric Transmitters                                                                                                                   |

## NUMERICAL LIST OF PARTS

|--------|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 995005 | 24614 | Belt Tightener Link for 995029                                                                                                                                                                                |
| 995006 |       | Stator complete for S532162 and S532162W Electric Transmitters                                                                                                                                                |
| 995007 |       | Stator complete for S523162 and S523162W Electric Transmitters                                                                                                                                                |
| 995015 |       | Stator Shield complete, for Series S52 and S52W Poly Phase (25 Cycles) Electric Transmitters, Nos. 995016 and two each 700141 and 994886                                                                      |
| 995016 |       | Stator Shield for 995015                                                                                                                                                                                      |
| 995017 |       | Belt Tightener Base for 995019                                                                                                                                                                                |
| 995018 |       | Belt Tightener Base for 995020                                                                                                                                                                                |
| 995019 |       | Belt Tightener (left hand drive) complete, for Alternating Current (25 Cycles) Electric Transmitters, Nos. 701097, 701285, 994936, 994937, 994940, 995017 and two each 51757X, 994938 and 994939              |
| 995020 |       | Belt Tightener (right hand drive) complete, for Alternating Current (25 Cycles) Electric Transmitters, Nos. 701097, 701285, 994936, 994937, 994940, 995018 and two each 51757X, 994938 and 994939             |
| 995021 |       | Stator complete for S52235C-N and S52235C-NW Electric Transmitters                                                                                                                                            |
| 995022 |       | Stator complete for S52235H-N and S52235H-NW Electric Transmitters                                                                                                                                            |
| 995023 |       | Stator complete for S52235Y-N and S52235Y-NW Electric Transmitters                                                                                                                                            |
| 995024 |       | Stator complete for S52235X-N and S52235X-NW Electric Transmitters                                                                                                                                            |
| 995025 |       | Stator complete for S52235G-N and S52235G-NW Electric Transmitters                                                                                                                                            |
| 995026 |       | Stator complete for S52235L-N and S52235L-NW Electric Transmitters                                                                                                                                            |
| 995027 |       | Stator complete for S52235P-N and S52235P-NW Electric Transmitters                                                                                                                                            |
| 995028 |       | Stator complete for S52235S-N and S52235S-NW Electric Transmitters                                                                                                                                            |
| 995029 | 24614 | Belt Tightener complete, for Tube Mounting, for Series S52W and S53W Electric Transmitters, Nos. 50674X, 51581X, 701097, 701285, 701348, 701460, 994856, 994937, 994938, 994939, 994940 995005 and two 51757X |
| 995038 |       | Terminal Box Cover complete for Light and Supply Lead, Nos. 994711, 994713, 994833, 994834, 995189 and four each 50569, 51601 and 931202                                                                      |
| 995039 |       | Terminal Box Cover complete, for Light Lead only, Nos. 994711, 944713, 995190 and two each 50569, 51601 and 931202                                                                                            |
| 995040 |       | Stator complete for S532368 and S532368W Electric Transmitters                                                                                                                                                |
| 995041 |       | Stator complete for S523167 and S523167W Electric Transmitters                                                                                                                                                |
| 995042 |       | Stator complete for S52235T-N and S52235T-NW Electric Transmitters                                                                                                                                            |
| 995043 |       | Stator complete for S522351 and S522351W Electric Transmitters                                                                                                                                                |
| 995044 |       | Stator complete for S522352 and S522352W Electric Transmitters                                                                                                                                                |
| 995045 |       | Stator complete for S522353 and S522353W Electric Transmitters                                                                                                                                                |
| 995046 |       | Stator complete for S522354 and S522354W Electric Transmitters                                                                                                                                                |
| 995047 |       | Stator complete for S522355 and S522355W Electric Transmitters                                                                                                                                                |
| 995048 |       | Stator complete for S522356 and S522356W Electric Transmitters                                                                                                                                                |

| 995049 |       | Stator complete for S522357 and S522357W Electric Transmitters                                                                                                                                                                      |
| 995050 |       | Stator complete for S522358 and S522358W Electric Transmitters                                                                                                                                                                      |
| 995051 |       | Stator complete for S53236Y-N and S53236Y-NW Electric Transmitters                                                                                                                                                                  |
| 995053 |       | Stator complete for S532361 and S532361W Electric Transmitters                                                                                                                                                                      |
| 995054 |       | Stator complete for S532362 and S532362W Electric Transmitters                                                                                                                                                                      |
| 995055 |       | Stator complete for S53236M-N and S53236M-NW Electric Transmitters                                                                                                                                                                  |
| 995056 |       | Stator complete for S53236X-N and S53236X-NW Electric Transmitters                                                                                                                                                                  |
| 995057 |       | Stator complete for S532261 and S532261W Electric Transmitters                                                                                                                                                                      |
| 995058 |       | Stator complete for S532262 and S532262W Electric Transmitters                                                                                                                                                                      |
| 995059 |       | Stator complete for S532268 and S532268W Electric Transmitters                                                                                                                                                                      |
| 995060 |       | Stator complete for S532160 and S532160W Electric Transmitters                                                                                                                                                                      |
| 995061 |       | Stator complete for S532163 and S532163W Electric Transmitters                                                                                                                                                                      |
| 995062 |       | Stator complete for S532164 and S532164W Electric Transmitters                                                                                                                                                                      |
| 995063 |       | Stator complete for S532165 and S532165W Electric Transmitters                                                                                                                                                                      |
| 995064 |       | Stator complete for S532166 and S532166W Electric Transmitters                                                                                                                                                                      |
| 995065 |       | Stator complete for S532167 and S532167W Electric Transmitters                                                                                                                                                                      |
| 995066 |       | Stator complete for S532168 and S532168W Electric Transmitters                                                                                                                                                                      |
| 995067 |       | Stator complete for S532150 and S532150W Electric Transmitters                                                                                                                                                                      |
| 995068 |       | Stator complete for S532151 and S532151W Electric Transmitters                                                                                                                                                                      |
| 995069 |       | Stator complete for S532152 and S532152W Electric Transmitters                                                                                                                                                                      |
| 995070 |       | Stator complete for S532153 and S532153W Electric Transmitters                                                                                                                                                                      |
| 995071 |       | Stator complete for S532154 and S532154W Electric Transmitters                                                                                                                                                                      |
| 995072 |       | Stator complete for S532155 and S532155W Electric Transmitters                                                                                                                                                                      |
| 995073 |       | Stator complete for S532156 and S532156W Electric Transmitters                                                                                                                                                                      |
| 995074 | 24610 | Transmitter Flywheel Key                                                                                                                                                                                                            |
| 995075 | 24622 | Set of Tools complete for Disassembling and Assembling Electric Transmitters, Nos. 225498, 820446, 876648, 876664, 994480, 995082, 995083, 995084, 995085, 995086, 995087, 995088, 995089, 995090, 995187, two 50971 and four 50934 |
| 995082 | 24622 | Wrench for 994913                                                                                                                                                                                                                   |
| 995083 | 24622 | Flywheel Removal Tool for 995075                                                                                                                                                                                                    |
| 995084 | 24622 | Ball Bearing Puller Frame Screw for 995075                                                                                                                                                                                          |
| 995085 | 24622 | Ball Bearing Assembly Tool for 995075                                                                                                                                                                                               |
| 995086 | 24622 | Socket (7/8 in. hexagon, extra deep) for 995075                                                                                                                                                                                     |
| 995087 | 24622 | Wrench (adjustable) for 995075                                                                                                                                                                                                      |
| 995088 | 24622 | Flywheel Removal Tool Plate for 995075                                                                                                                                                                                              |
| 995089 | 24622 | Ball Bearing Puller Frame Plate for 980326                                                                                                                                                                                          |
| 995090 | 24622 | Wrench (open end) for 995075                                                                                                                                                                                                        |

| 995161 | ..... | Stator complete for S523163 and S523163W Electric Transmitter.....                                                                                                                                            |
| 995162 | ..... | Stator complete for S523164 and S523164W Electric Transmitters.....                                                                                                                                           |
| 995163 | ..... | Stator complete for S523165 and S523165W Electric Transmitters.....                                                                                                                                           |
| 995164 | ..... | Stator complete for S523166 and S523166W Electric Transmitters.....                                                                                                                                           |
| 995165 | ..... | Stator complete for S523168 and S523168W Electric Transmitters.....                                                                                                                                           |
| 995166 | ..... | Stator complete for S523150 and S523150W Electric Transmitters.....                                                                                                                                           |
| 995167 | ..... | Stator complete for S523151 and S523151W Electric Transmitters.....                                                                                                                                           |
| 995168 | ..... | Stator complete for S523152 and S523152W Electric Transmitters.....                                                                                                                                           |
| 995169 | ..... | Stator complete for S523153 and S523153W Electric Transmitters.....                                                                                                                                           |
| 995170 | ..... | Stator complete for S523154 and S523154W Electric Transmitters.....                                                                                                                                           |
| 995171 | ..... | Stator complete for S523155 and S523155W Electric Transmitters.....                                                                                                                                           |
| 995172 | ..... | Stator complete for S523156 and S523156W Electric Transmitters.....                                                                                                                                           |
| 995173 | ..... | Stator complete for S523157 and S523157W Electric Transmitters.....                                                                                                                                           |
| 995174 | ..... | Stator complete for S523158 and S523158W Electric Transmitters.....                                                                                                                                           |
| 995175 | ..... | Stator complete for S532341 and S532341W Electric Transmitters.....                                                                                                                                           |
| 995176 | ..... | Stator complete for S532345 and S532345W Electric Transmitters.....                                                                                                                                           |
| 995177 | ..... | Stator complete for S532347 and S532347W Electric Transmitters.....                                                                                                                                           |
| 995178 | ..... | Stator complete for S532348 and S532348W Electric Transmitters.....                                                                                                                                           |
| 995179 | ..... | Stator complete for S53234G-N and S53234G-NW Electric Transmitters.....                                                                                                                                       |
| 995180 | ..... | Rotor complete for S532241, S532241W, S532247, S532247W, S532248, S532248W, S532341, S532341W, S532345, S532345W, S532347, S532347W, S532248, S532248W, S53234G-N, and S53234G-NW, Electric Transmitters..... |
| 995181 | ..... | Rotor complete for Series S52 and S52W Poly Phase (25 Cycles) Electric Transmitters.....                                                                                                                      |
| 995182 | ..... | Pitman Rod complete, for Stands Nos. 601025 and 601026, Nos. 80223 and two each 994891 and 995188.....                                                                                                        |
| 995187 | 24622 | Ball Bearing Puller Frame for 995075.....                                                                                                                                                                     |
| 995188 | ..... | Pitman Rod for 995182.....                                                                                                                                                                                    |
| 995189 | ..... | Terminal Box Cover for 995038.....                                                                                                                                                                            |
| 995190 | ..... | Terminal Box Cover for 995039.....                                                                                                                                                                            |
