GSA REGIONAL BULLETIN FPMR NO. 9-E-12  
SUPPLY AND PROCUREMENT

TO : Heads of Federal Agency Offices & Military Installations  
Served by GSA Region 9 (California, Hawaii, and Nevada)

SUBJECT: GSA Stores Stock Catalog mailing list

1. Purpose. This regional bulletin re-establishes a firm mailing list for the GSA Stores Stock Catalog publications to insure effective distribution and eliminate duplicate mailings.

2. Mailing list application. The October 1966, issue of the GSA Stores Stock Catalog (Item 1 on the mailing list application) will soon be available for distribution. Complete the attached mailing list application and return it not later than September 16, 1966 to:

General Services Administration, Region 9  
Distribution Requirements Division, FSS  
49-4th Street, Mail Station 29  
San Francisco, California 94103

The mailing address on the application should be for an organizational title and not for an individual. When possible, request quantities in bulk for an entire activity, and provide internal organizational distribution locally. If the application is not returned, it will be assumed copies of the catalog are not required, and your address will be removed from the mailing list. Any correspondence relating to the GSA Stores Stock Catalogs should be addressed as above.

3. Expiration date. This regional bulletin will expire on December 31, 1966.
