FMSNOTE 4410

APR 12 1968

FMSO NOTICE 4410

From: Commanding Officer
To: Distribution List

Subj: Navy Management Data List (NMDL) of 1 March 1968

Encl: (1) Price List

1. Purpose. To correct erroneous prices in the subject NMDL.
2. Information. Invalid prices appeared in the 1 March 1968 NMDL due to a program print error. These prices can be easily recognized since they are excessive and usually appear in groups. An example of these invalid prices can be found on page 653, Volume 2 of the 1 March 1968 NMDL. The invalid prices are not contained in the Navy Management Data File or the management files of the item managers. Therefore, Change Notice Actions applicable to the Federal Stock Numbers listed in enclosure (1) contained correct unit prices.
3. Action. Addressees are requested to utilize the prices shown in enclosure (1) and the effective Change Bulletin vice the invalid prices contained in the subject NMDL. The next basic NMDL will be distributed with an effective date of 1 July 1968 and will contain the correct prices.
4. Cancellation. This Notice is canceled upon receipt of the 1 July 1968 NMDL and for record purposes on 31 August 1968.
