AN APPEAL FOR ASSISTANCE

REQUISITIONERS OF 02XX, 03XX, AND 09XX NAVSHIPS PUBS

Funds to replenish stocks of NAVSHIPS publications have not been available since January of 1968. Until funds do become available a temporary rationing procedure is being implemented by NPFC Phila as requested by NAVSHIPSYS COMHQ Msg 222142Z May 1968 which limits issues to one (1) each of a NAVSHIPS pub when stock position becomes critical.

Requisitioners are hereby requested to scrupulously review their requirements for NAVSHIPS pubs prior to inputting requisitions into the Cog OI system and to order only absolute minimal requirements. This temporary measure will be rescinded when the funding difficulties are resolved.
