3838 FILLMORE STREET  
SAN FRANCISCO, CALIFORNIA 94123

IN REPLY REFER TO:  
NDS/SF/AAB:hd  
8950/S  
Serial: 93-66  
14 June 1966

From: Officer in Charge, Naval Degaussing Station, San Francisco, Calif.  
To: Commanding Officer, USNS JOHN POPE (T-AP 110)

Subj: Degaussing check run; report on

1. Your westbound degaussing check run conducted on 6 June 1966 indicates excessive longitudinal magnetism. It is recommended you schedule additional runs in order to confirm these results.
