## 'APCO' YACHT FLOAT—NOT APPROVED CANVAS OR FIBERGLASS COVERED

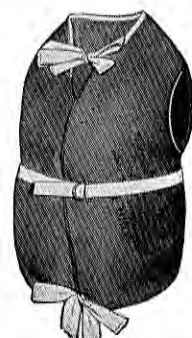

# LIFE PRESERVERS

## U. S. Coast Guard Approved

For use on all vessels 40 feet or over, and for all other vessels carrying passengers for hire. These life preservers are constructed to conform to the requirements of the "1960 SOLAS CONVENTION" for use on all passenger vessels and cargo and tank vessels over 500 gross tons engaged on international voyages. Designed with a high turning moment, supports and holds the wearer in a "face up" position when in water, even when wearer is unconscious. Mildew resistant treated adjustable heavy weight cotton web strap equipped with all brass hardware. Reversible. Can be easily donned and comfortably worn on either side. Color: International Orange. Individually inspected, approved and stamped by a U. S. Coast Guard inspector before leaving our plant. Packed: Kapok: 12 per carton. Foam: 6 per carton. Available in two types. Heavy weight mildew resistant treated drill fabric cover or vinyl coated foam requiring no fabric cover.

4360	15"x54"x2"	16.45

## WATER SPORTS EQUIPMENT

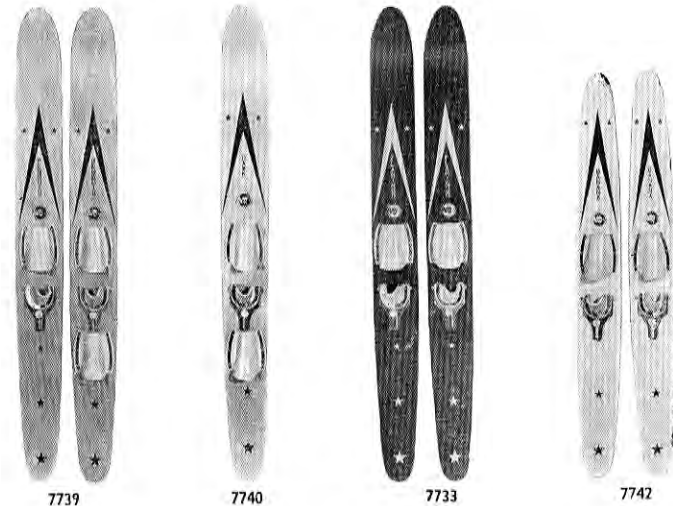

### WATER SKIS

The finest 7 ply marine grade hardwoods are used in our Laminated Skis; along with completely water-proof glues to insure quality and durability. Skis are finished in enamel, for maximum durability and service.

High quality foot grips to insure long service and comfort.

Red models available with white trim and white footgrip

Natural models available with red trim and white footgrip

#### LAMINATED SLALOM MODELS

Fig. No. 7739 — Penguin List Price ..... \$31.65

- New banana silhouette pair
- Extra toe grip mounted on one ski for use as a slalom
- The versatility of this model makes it an all-around favorite
- Size — 6' long, 7" wide • Shipping weight — 20 lbs.
- Red or natural finish

Fig. No. 7740 — Hawk List Price ..... \$20.00

- Extremely maneuverable because of deep aluminum keel and new banana silhouette
- Size — 6' long, 7" wide • Shipping weight — 10 lbs.
- Red or natural finish

#### BANANA LAMINATED MODELS

Fig. No. 7733 — Flamingo List Price ..... \$29.40

- Outboard ski with new banana silhouette
- Ease of maneuvering combined with high stability
- Performs well at slow towing speeds
- Size — 6' long, 7" wide • Shipping weight — 20 lbs.
- Red or natural finish

#### BANANA MODEL

Fig. No. 7742 — Banana List Price ..... \$32.20

- A banana peel ski constructed of solid marine hardwoods
- The ultimate in trick skis, its constant curve allows a full range of aquatic maneuvers
- No keel
- Size 5' long, 7" wide • Shipping weight — 12 lbs.
- White with matching foot grip and red trim

### PADDLE BOARD

- Highly recommended for water rescue work. An ideal board for recreation and safety use on lakes.
  - Constructed from select laminated kiln dried balsawood for maximum strength and durability with minimum of weight. Each board is hand shaped and covered with fiberglass and polyester resins. Reinforced at all points of wear. This advanced method of construction assures stability and durability under rough use.
- Will not warp like some fragile foam type boards. Cannot change shape. There is little or no maintenance.
- Color is impregnated in the resins.

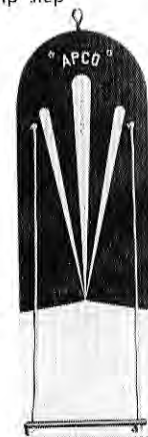

7725

### SEA SLED

Fig. No. 7725 DOLPHIN

- Upturned tip eliminates the tendency to dive
  - Twin keels give unmatched maneuverability
  - Size — 5' 8" long, 2' wide
  - Shipping weight — 20 lbs.
  - Red with white trim and non-slip step
- List Price ..... \$50.00

7723

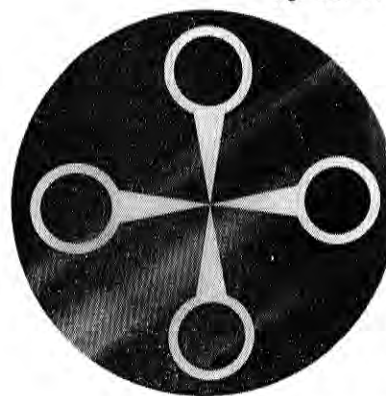

### AQUA PLANE

Fig. No. 7723

- A proven favorite
  - Size — 6' long, 2' wide
  - Shipping weight — 30 lbs.
  - Red with white trim and non-slip step
- List Price ..... \$37.50

### AQUA SAUCER

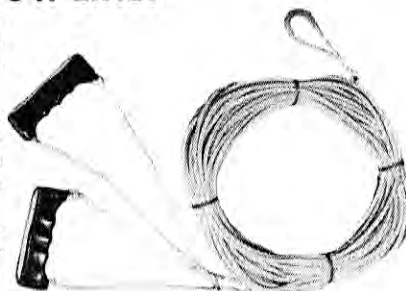

Fig. No. 7724

- New sport sensation — wet sand surfing with Aqua Saucer.
  - Race along the shore after a receding wave and jump on our new Sand-Surfer — you will zoom along for as much as 50 yds. with all the thrills of surf riding
  - May also be ridden behind a boat in any position
  - Size — 33" in diameter
  - Shipping weight — 14 lbs.
  - Red with white trim and non-slip paint
- List Price ..... \$18.10

### TOW LINES

- New plastic hand grips eliminate the fatigue and strain of holding on to the tow line
- Polyethylene rope — The buoyant qualities of this rope eliminate the need for a wooden float, Yellow, 75' long
- Individually packed in poly bags — 12 per carton
- Shipping Weight—15 lbs.

#6712 — Single Bar (Not Illustrated)  
#6714 — Double Bar

List Price.....\$4.00  
List Price.....\$4.60

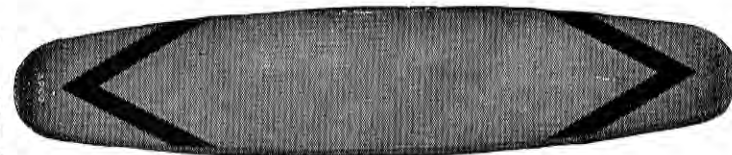

Fig. 8706 Size 10 Ft. List Price \$150.00\*

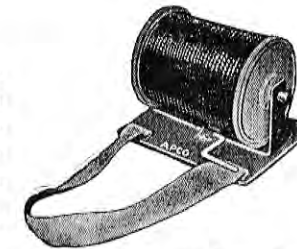

\* F.O.B. New York City. No Freight Allowed.

## BEACH and POOL EQUIPMENT

### PORTO REEL

Fig. No. 5801

This reel is designed to eliminate most of the strain in making a swimming rescue with line. It is light in weight and can be easily carried to actual point of rescue. Furnished with 600 feet of 1/4" rope. Extra wide web shoulder straps for comfort. Detachable handle for rewinding line. Generally used with our Fig. 8809 Diamond Rescue Buoy or #8810 Torpedo Rescue Buoy.

With Rope ..... List Price ..... \$62.00  
Without Rope ..... List Price ..... 40.00

### KICK BOARD

Fig. No. 1811

Color: Blue or Red.

List Price .....\$6.10

An extremely valuable board for professional use when teaching swimming. A perfect play float and small surf board for children.

Made of balsawood with synthetic covering.  
Size: 21" x 11" x 1 1/2".

### RESCUE BUOYS

Made of solid balsawood and covered with fiberglass impregnated with polyester resins.

Equipped with 1/4 dia. shoulder loop and tow line.

Available in Torpedo shape or Diamond shape.

Color: International Orange.

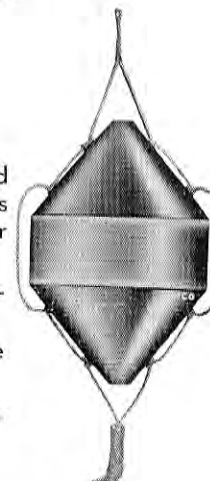

Fig.	Size	List Price
8809	Diamond Shape 17"x24"x4"	\$32.00
8810	Torpedo Shape 6" Dia. 34" long	27.75

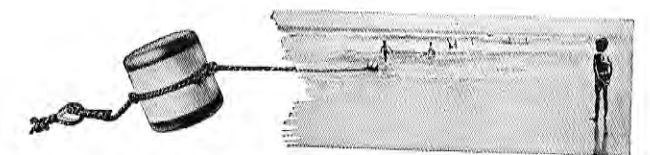

### CHILD'S "KEEP-A-FLOAT" SAFETY SWIM VEST

- Every child at play near water should wear one of these comfortable and dependable safety vests.
- Special construction prevents them sliding up or down and gives a snug and attractive appearance.
- Covered with fast color Orange jeans fabric.
- Filled with kapok electronically sealed in vinyl.
- Tie tapes and crotch straps for extra safety.
- Packed 12 per carton.

Fig.	Size	List Price
4206	SMALL—for children weighing less than 50 lbs.	\$3.55
4207	LARGE—for children weighing between 45 and 90 lbs.	3.55

### LIFE LINE FLOATS

Constructed of light weight balsawood and covered with fiberglass impregnated with Polyester resins.

Practically all of the famous beaches in the country have now standardized on this style float. Maintains a high attractive appearance throughout season and add much color to any beach layout.

Made in 5 standard sizes:

Color: Orange

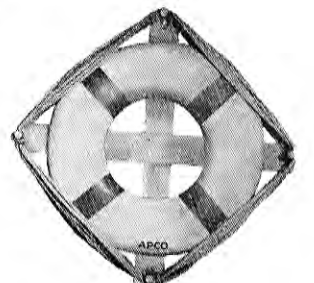

SIZE	FIG. NO.	LIST PRICE

Individually Boxed. Shipping Weight 10 Lbs.

List Price ..... \$93.25

# SKI BELTS — LIFE VESTS

## VINYL DIPPED PLASTIC — DE LUXE MODEL

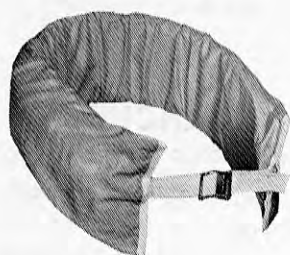

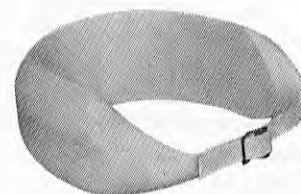

- Constructed of "Koroseal" unicellular PVC foam.
- Apco's exclusive design and method of inserting strap through one solid piece of foam eliminates delamination and strain on foam.
- Smooth, neat appearance. No slots or unnecessary loops to fail.
- Apco's vinyl dip process insures a smooth generous vinyl coating for a tough finish which is not affected by salt or oil. Cleans easily with damp cloth.
- PVC foam remains buoyant even if punctured or cut.
- Body strap equipped with sure grip buckle for better fit and increased safety.
- Packed 12 per carton.

Fig.	Size	Shipping Weight	List Price
8233	20" - 30"	8 Lbs.	\$5.90
8234	30" - 38"	10 "	5.90
