

UNITED STATES GOVERNMENT

Memorandum

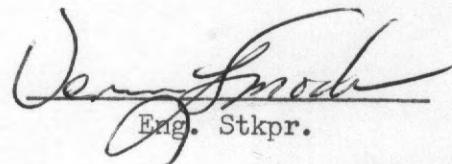

TO : Chief Engineer, USNS PATRICK, T AP 124

DATE: 2 January 1968

FROM : Engine Storekeeper

SUBJECT: Turn-Ins, December 1967, Monetary value of

1. The monetary value of the perishable and/or combustible materials turned in ashore during the month of December by the Engine Dept. as required by COMSTSPAC was \$3163.24 .
2. Pending approval and notification by the Comptrollers Office, this amount may be tentatively assumed to reflect the credit due the vessels' operating fund.
