Subj: Report of Command Safety Council, action on

Encl: (1) Command Safety Council Meeting, report of

1. The report of the Command Safety Council Meeting of 21 September 1962 is approved and the recommendation is to be carried out. Diligent application of basic safety precepts will prevent most accidents that might otherwise occur. Personal attention to safety and positive leadership should materially improve substandard safety performance and is expected.

2. It is a pleasure to acknowledge the outstanding safety record of the following ships and repair shops and to commend the personnel concerned for their notable safety achievement. Their effective accident prevention efforts, exemplary of the type of safety support desired, are appreciated. Well Done!
