Dear Colonel Geraci,

Reference is made to your claim for \$ 32.00 against the United States, arising from an incident connected with your service with the United States Army.

Your claim will be approved for payment for \$16.00 provided you agree to accept that amount in full satisfaction of the claim. The amount approved represents the actual cost of replacing or repairing your property as established by the evidence submitted in support of the claim. Upon receipt in this office of the inclosed settlement agreement, properly signed in ink, in triplicate, and dated, the claim will be transmitted to a Finance Officer, U.S. Army, for payment.

In the event you do not desire to accept the award, it is requested you so advise this office in writing, stating the reasons for your rejection. You may, if you desire, submit additional evidence in further support of your claim.

Pending receipt of a reply, the file will be retained in this office for 30 days. At the expiration of that period, unless the settlement agreement or your letter of rejection has been sooner received, this offer of settlement will be withdrawn and the file will be transmitted to higher headquarters.

Sincerely yours,

RICHARD L. HEINTZ
