The copies are in today's outgoing mail. I had not sent them previously primarily because I hadn't had a response to my e-mail of 3/16. The total on your credit card is \$19.75.

Mr. Miller, I did not see the message. Is it possible to get the minutes electronically? I am leaving in the morning for the Lubbock meeting, for which I need these. If that is possible, please send via email as an attachment. Sorry of the rush. Thanks Terry
