## TV FACE OFF: DuBose/Swiftie Gardner on "Heartland w/John Kasich", Sat 4/23, 8PM Eastern, Fox Cable

Terry Du Bose Notes: Ok, folks, just trying to do my part for VetSpeak... but I am nervous about this one. I agreed to be a part of a live, one hour long TV show, "The Heartland with John Kasich" on FOX News tomorrow evening (April 22, 2005, 8:00 PM Eastern, 7:00 PM Central). I am anxious because I know how FOX News is, but I think we have to be willing to go there, if we are going to make a difference.

A not-so-Swift person, Steve Gardner, will be on the same show. He is the only not-so-Swift liar on John Kerry's boat that did not support Kerry. He has also been caught in a lot of double-talk about
