1999

The Americal Division Veterans Association Reunion, Class In 2000, is dedicated as a living memorial to Mr. Ernest B. Carlson, Chapter Commander South Midwest Chapter, ADVA. This reunion was Ernie's dream, and once he discovered the cancer growing in his body, one of his primary reasons for living was to attend just one more reunion and visit with the Brothers he loved so much, the Americal Division Veterans from all wars. Ernie would not want you to mourn his death but to enjoy the reunion and celebrate life among your friends. So, when the moment arises, say a short prayer and sip a cold beer for Ernie Carlson, the best friend a Veteran could have. "Til We Meet Again At The Final Reunion, Ernie!"

# BIENVENIDOS A SAN ANTONIO, HERMANOS Y AMIGOS

## Welcome To San Antonio Brothers and Friends

When Ernie Carlson asked me to co-chair Class In 2000, the ADVA Reunion, I gladly accepted the challenge, and it has been a challenge, indeed! Many of our members wanted the reunion to be held on the river walk, but the room rates were just too high, so we selected this hotel, the Holiday Inn for its rates and for the enthusiasm they have shown in helping put the program together. I had envisioned a reunion like no other with many exciting events such as the Horse Platoon from the 1st Cavalry Division and a golf tournament, but those events were not to be. We do have a wonderful day planned in Fredericksburg, some excellent entertainment and great food for you. On Saturday, we are going to visit the memorial statue dedicated to the Combat Medic and you can visit the US Army Medical Museum as well. Fort Sam Houston has welcomed us with open arms and has been very helpful and cooperative even though many of them have never even heard of the Americal.

There are many other beautiful and historic sites to see in and around San Antonio such as the Spanish Missions, the Alamo, Spanish Governor's Palace, Riverwalk and many more. Attending the reunion are many San Antonio natives, so if you have questions or want recommendations just ask any one of us, and we will be glad to direct you.

Now, relax and have fun. Enjoy the area and the reunion. If I can help you with anything, please don't hesitate to ask.

Capt William S. Bacon, USA (Ret)

Dear Captain Bacon:

Thank you for your letter and the invitation to speak at the Americal Association Reunion 2000 event on June 1 - 4, 2000. I apologize for this rather tardy response; however, your letter took several months to get to me.

Captain Bacon, as much as I appreciate the invitation to join you for the reunion, at this point I'm afraid I must decline. My June 2000 calendar is already quite full. Unfortunately, I've got a schedule conflict in early June which prevents me from being with you.

But thanks for thinking of me - that was very thoughtful of you. Please convey my regrets to the attendees.

With best wishes for a very special event filled with camaraderie and good fellowship,

Sincerely,

AMEDD, the Army Medical School and detachment at Fort Sam Houston has prepared the Combat Medic's memorial especially for the Americal with plenty of seating, canopies and a sound system. At 1400 hours on Saturday, we will lay a wreath at the Memorial dedicated to our Combat Medics, alive and dead. Afterwards, you can tour the US Army Medical Museum and speak with the Medics who will be in attendance. In addition, you can tour the Fort Sam Houston Museum which is located right off of Stanley Road. Dress is casual. Please wear your name badge.
