MSgt DeGroot,
I'm wondering if you have time to help us out with this tasking.

Here was the tasking to VI:
"Man on the street photos" – We will run a story on the fifth anniversary of 9/11. We want four photos (mug shots) of four different demographics ... one older civilian, one young contractor, one junior officer and one senior enlisted member. Ask them to answer this question: "What does serving five years after 9/11 mean to you?" The subject should be looking at the camera and just get them from the mid-chest, up. Call me if you need me to explain more.

Do you have any time today to do this? If so, we would really appreciate it. I know you are probably as busy as us as it seems like the taskings just keep coming, but if you can help us out, we'd appreciate it.
