Multimedia Terminology

au•di•ence (ô'-dee-ens), n.

1. a gathering of spectators or listeners at a (usually public) performance
2. a group of people who participate in and experience or encounter a work of art, literature, theatre, music or academics in any medium
3. The subject of the first series of questions we should ask our Multimedia customers when determining their requirements: "Who is your audience?"; "What is your goal of the message of your product with regard to the audience?"

cus•tom•er (kus'-toh-mur), n.

1. Someone who makes use of the products of an individual or organization
2. "Customer needs" may be defined as the facilities or services a customer requires to achieve specific goals or objectives
3. The reason all of us in Multimedia and Combat Camera exist

im•age (im'-uhj), n.

1. A reproduction of the form of a person or object, especially a sculptured or illustrated likeness
2. An optically formed duplicate, counterpart, or other representative reproduction of an object, especially an optical reproduction formed by a lens or mirror
3. The collective external public opinion of an organization such as the Multimedia Community: our reputation

lead•er•ship (leed-ur-ship), n.

1. The position or office of a leader: ascended to the leadership of the party
2. Capacity or ability to lead: showed strong leadership during her first term in office
3. A group of leaders: met with the leadership of the nation's top unions
4. Guidance; direction; leading by positive example
5. Requirement of the Multimedia Community personnel to practice with their customers and self

mes•sage (mehs'-sehj), n.

1. A usually short communication transmitted by words, signals, or other means from one person or group to another
2. The substance of such a communication; the point or points conveyed
3. A statement made or read before a gathering: a retiring coach's farewell message
4. A basic thesis or lesson; a moral: a play with a message
5. Critical component of our Multimedia products to help customers communicate with their audience

mis-sion (mihs'-shun), n.

1. A special assignment given to a person or group: an agent on a secret mission
2. A combat operation assigned to a person or military unit
3. An aerospace operation intended to carry out specific program objectives: a mission to Mars
4. An inner calling to pursue an activity or perform a service; a vocation
5. A duty that involves fulfilling a Multimedia request

op-er-a-tion-al (ah-pur-ay-shun-uhl), adj.

1. Pertaining to a process or series of actions for achieving a result
2. A working method or a philosophy that focuses principally on cause and effect of specific interest to a particular domain at a particular point in time
3. Multimedia's most relevant high priority work for our customers

re-la-tion-ship (ree-lay'-shun-ship), n.

1. The condition or fact of being related; connection or association
2. Connection by blood or marriage; kinship
3. A particular type of connection existing between people related to or having dealings with each other
4. Multimedia's highest priority product with regard to customers

stra-te-gic (stra-tee-jik), adj.

1. Of or relating to strategy; a) Important or essential in relation to a plan of action: a strategic withdrawal; b) Essential to the effective conduct of war: strategic materials; c) Highly important to an intended objective: The staff discussed strategic marketing factors
2. Intended to destroy the military potential of an enemy: strategic bombing
3. Multimedia's broad scope long-term missions

sup-port (suhp-pôrt'), tr.v.

1. a) to promote the interests or cause of; b) to uphold or defend as valid or right; c) to argue or vote for
2. to provide with substantiation or corroboration <support an alibi>
3. to provide with the means of livelihood (as housing, food, or clothing) esp. in accordance with an agreement or court order
4. to hold up or in position : maintain the physical integrity of
5. the activity of providing for or maintaining by supplying with necessities; our Multimedia customers' necessities

tac-ti-cal (tak'-tih-kuhl), adj.

1. Of, relating to, or using tactics
2. a) Of, relating to, or involving military or naval operations that are smaller, closer to base, and of less long-term significance than strategic operations; b) Carried out in support of military operations: tactical bombing
3. Characterized by deftness, ingenuity, or skill
4. Multimedia's relevant missions for shorter term, more localized requirements

team·work (teem'-wurk), n.

1. Cooperative effort by the members of a group or team to achieve a common goal
2. Optimum high priority goal of the Multimedia community to be unified as a worldwide team across all its missions and organizations to strengthen its relevance and long-term future

u·ni·ty (yoo'-nih-tee), n.

1. The state or quality of being one; singleness
2. The state or quality of being in accord; harmony
3. The combination or arrangement of parts into a whole; unification
4. A combination or union thus formed
5. Singleness or constancy of purpose or action; continuity number
6. Essential element of strength and long-term relevance for the worldwide 3V Community
