### CLASS OF 1966

**Diane (Brain) Connelly** is enjoying retirement, living in Schaumburg, IL and traveling in the winter. She has 4 grandsons.

**Roger La Roussa** is retired 5 years and working part time at the Allstate Arena. He has been married 36 years to **June (Popp)** and they reside in Norridge, IL. They are the proud parents of twin boys and grandparents of Angelina (3).

### CLASS OF 1967

**Barbara (Dummler) Baehr** lives in Inverness, IL with her husband, Rich. She is a Crisis Interventionist in the local school district. They have 3 grown children, Ryan, Jennifer and Jillian.

**Janice (Kirsch) Schmalz** writes: "I have been living in Colorado Springs, Colorado for about 12 years. I work at an animal hospital that handles large and small animals (dogs, cats, horse, bovine, llamas, alpacas, goats and an occasional rabbit.) I'm divorced and have been for 12 years. My two sons also moved out here and are enjoying life in the Rockies. Although now the tables have turned, when I go out I hear "where are you going? Who are you going with? When will you be home"? Gee, it wasn't too long ago those were my lines. I keep in touch with: **Bonnie (Ritchie) Fox (class of 6/65)**, **Mike Pope**, **Beth (Drake) Gates**, **Toni (Tracz) Zulaski** (who also lives in Colorado), **Dominic Adorno (class of 66)**, plus of course various cousins on the Rodway side of the family (Lenore, June, Sharon, Susan, etc.) all SHS Alumni.

I have recently received several e-mails about getting a 40th reunion together. Being 1200 miles away makes it a little difficult. But I sure wish those people would all get together and contact the alumni association. Back in about the 1970's I was class governor and the reunion chairperson, so I know there is a lot of knowledge there for the asking.

We also need a class governor. It is a lot of fun and you meet the nicest people. So if anyone is out there that is interested....?

If anyone would like to contact me they can e-mail me at jayrufus13@aol.com. I would like to hear from them. "

### CLASS OF 1968

Some of the class of "68" got together on April 29<sup>th</sup> to wish **John "Dutch" DeGroot** well, before he was deported to the Middle East, with his Air Force Unit. His favorite "watering-hole", Colletti's Restaurant, which is on the northwest side of Chicago, was the meeting place. After having a relaxing dinner, they headed to the bar, where they spent the evening reminiscing and catching up on current events. Throughout the evening different friends of Dutch and employee's of the restaurant came up to wish him well. Colletti's own version of Tony Bennett gave Dutch a farewell on behalf of all present. Rounding up the usual suspects, the line-up was Dutch and his wife, Jan, **Linda (Jokiel)** and **John Rizzotto** (a special thanks for them coming all the way in from Galena), **Jodie Naughton**, **Marie LaRusso**, **Bonnie (Berdnick) Brown** and her husband, Dave, **Linda Stynoski**, **Regina (Rissell) Lucas** and her husband, Luke, **Sylvia (Sarma) Salna** and **Linda (Reeves) Pawelek** and her husband, Casey. "It was nice seeing everyone and we all had a good time." Our thoughts and prayers are with Dutch and his unit as they are deployed to the Middle East

**Malian (Sokeske) Gilbert** of Bayonet, FL writes; "Thanks to the guys at the newsletter. Because of you, I was able to contact my high school "buddy" whom I had been trying to contact since I bought my computer about 7 yrs ago." **Linda (Reeves) Pawelek**, of Wilmington, IL, and **Malian** have renewed their friendship and speak quite often. "Come to find out she was also trying to contact me! One more thing - Linda - GET A COMPUTER. These long distance calls are killin' me." Some day soon I hope to make the trek to Chicago and join her for lunch."

Our condolence to the family and friends of **James Beecroft**, he passed away 4/3/06. He had a very successful stained glass business and art studio on the N.W. side for many years.
