

VACANCY BID & DISPLACEMENT CHOICE RECORD

My preference for assignment are shown by the following vacancy bids and/or displacement choices. This form is being submitted.

TEMPORARY ASSIGNMENT
M 72 07082 7 DEC

In response to the bid/displacement notice Nr. _____ dated _____

To advise you of my standing preference for assignment.

I meet the qualifications established by the company for each vacancy I have bid. I understand that if I bid a vacancy in my present program, all bids subsequent to that bid will not be considered since they are, in reality, elections to displace. I further understand that an "awarded" bid must be accepted by me and that my acceptance may restrict my further bidding for a nine to twenty-four month period.
