John,

Absolutely.

By the way, while in DC last time Ann Mills Griffiths introduced me to Richard L. Childress, former NSC military and Asian affairs director under both terms of Reagan and a year of Bush. He was right in there with North. Childress is a remarkable guy. Invited me to join him as his guest at the Army Navy Club next time up.

I have assembled a collection of old letters from Norman mailed from the Far East, photos taken by Felix, copies of letters my mother wrote during the '50's trying to gain information, letters back in response, newspaper clippings of the era, and the second volume is copies of my paper avalanche I unleashed on the bureaucrats. I will send both volumes to Dr. Sall at the archive.

Regards,

Erik
