Deals mainly with ~~the~~ Vietnam but has chapters on Laos and Thailand.

The last Confucian of the title is Ngo dinh D iem. Warner's conclusion is "that the regime will go on, ever more isolated from the people, and that the Americans will meet the military challenge in whatever way it may develop until one day Diem either abdicates . . . or is removed by an assassin or a coup d'etat. None of these possibilities is attractive; none holds a solution . . . "
