NB - I had been innocently jailed by Thieu's government for 5 years, by the fault of G. Nguyen van Ngy, so I did not have to go to "Re-education" (put in jail by Communists). But since 1975, my family is well segregated from the socialist society, suffering many injustices. All my 3 children are pretty good in English, hard-working. Myself is healthy, can do light jobs or office-jobs. I don't see a good future for all of us if we can't leave VN!

General Linh Quan Vien can certify my payings, I can my last

all former officials or military men are in great distress now. Please, fight hard with HCR and the US G. to help us.
