Our partner Loc Thanh Cao No. H32-432 date of birth is 1936. Place of birth is Binh Trieu Village, Thang Binh district, Quang nam Province Vietnam.

We were the prisoners of Viet Nam War. We came to United States with H.O refugee program. We certified that Thanh Loc Cao of the following below are true and accurate.

1. 1975 Viet Cong took over Viet Nam, they arrested him to put him in **IMPRISONMENT** camp.
  - a. Date of Imprisonment : May 11<sup>th</sup>, 1975
  - b. Date of Release: April 29<sup>th</sup>, 1982
  - c. Place of Imprisonment: Tien Lanh, Quang Nam
  - d. Reason of Imprisonment: Chief of Binh Trieu Village and staff officer of democratic party (Quoc Dan Dang) of Binh Trieu Village.
2. He has been in the **IMPRISONMENT** for **6 years and 11 months and 18 days**.
3. During war against communist, he was **blind** on his left eye.
4. Loc thanh Cao and his wife had two children and they are:
  - a. Tung Thanh Cao (male, 24 yrs old)
  - b. Phuong Dung Thi Cao ( female, 7 yrs old)

On March 25<sup>th</sup>, 1994, they were rejected by US interview team due to the reason of "Family relationships not established fraud."

Due the reason of war, marriage certificate and birth certificate has been lost, therefore, they have to redo it.

Mr. Loc Thanh Cao was **persecuted** by communist officers before 1975 because he was the chief in that village and directly trying to against the rebellion members of Viet Cong. Of course, after 1975 when Viet Cong took over. The rebellion members hate him and **trying to revenge** with all possible ways.

We are very sure that statements or proofs above are correct and true. We are hoping forward that the US interview team will considered and give him and his family a second chance for another interview.

To Whom It May Concern,

On March 25, 1994 I was rejected by U.S. interview team due to the reason of "family relationships not established fraud." Due the reason of war, marriage certificate and birth certificate had been lost, therefore, I have to redo it.

Before being interview by US Team , I went to the office work for documentation verification. It was then they told me that my son, Tung Thanh Cao, birth certificate was too new. They think that it is possible for the US team to think that it as a fraud. They change 1991 to 1981 which made the original document became fake. It is than that the US Team denied our immigration.

My daughter, Phuong Dung Thi Cao. D.O.B. is November 10<sup>th</sup> 1985. Due to the fact of financial difficulty birth certificate was made on December 21, 1987. The temporary birth certificate which issue by the Maternity Hospital of my daughter is attached.

Due to the reasons listed above. I went to the superior court at Vietnam and the administrative committee Binh Trieu Village to certify both of my children birth certificate is true. Documentation was verify to be correction and true.

To Whom It May Concern,

1. During war against communist, I was **blind** on my left eye.
2. I was **persecuted** by communist officers before 1975 because I was a chief in my village and directly trying to against the rebellion members of Viet Cong. Of course, after 1975 when Viet Cong took over, these rebellion members hate **ME** and **trying to revenge** with all possible ways.

I'm hoping forward that the US team interview will consider and give me and my family the second chance for interview.

Thank you for your consideration and time. We deeply appreciate your kindness.

3.01 We regret we are unable to approve your application for refugee resettlement admission to the United States.

To be resettled in the United States as a refugee, an applicant must meet the statutory definition of refugee contained in section 101(a)(42) of the Immigration and Nationality Act (INA), as amended. Refugee status can be approved only if the applicant establishes a credible claim of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion. Additionally, all applicants for refugee status in the United States must establish that they are not precluded from entry into the United States under other sections of law.

During your interview with an officer of the United States Immigration and Naturalization Service (INS), your account of having been persecuted or having a well-founded fear of persecution was reviewed. At that time, you were given the opportunity to present evidence, documentation, and/or an accumulation of facts during a verbal testimony of the events or circumstances that support your claim of persecution or a well-founded fear of persecution. After carefully reviewing your account of these events and surrounding circumstances, it has been determined that you do not qualify for refugee status.

3.02 You may be eligible for Public Interest Parole (see attached letter).

3.03 We do not approve your application for resettlement in the United States under the Public Interest Parole program, because you do not meet the criteria indicated below:

3.03.1 Former US government and former re-education camp detainees who are eligible as parolees (i.e., those who have applied, been petitioned on their behalf, or on behalf of their spouse, by a sibling or closer relation who is currently residing in the United States, who is willing to pay transportation costs, and who demonstrates that he/she has the financial ability to support the parolees to ensure they do not become public charges).

3.03.2 Former US government or private company employees who are not eligible for refugee status may be considered for public interest parole only if they have siblings or closer relations currently residing in the United States who are willing to pay transportation costs and demonstrate that they have the financial ability to support the parolees to ensure they do not become public charges.

3.03.3 Unmarried children of former US government or private company employees who are approved as Public Interest Parolees are allowed to accompany their parents to the United States only if the children are under the age of twenty-one.
