Ref: Request to re-examine and interview.

Dear Sir and Madame:

Today I write to you to request your re-open my file and approve for my children to re-union their brother, sisters and their family.

Last November, 1991, on my application for O.D.P I request for approval six person name following:

1. Do, Dung Thi	Year born 1946	Self
2. Do, Nghia Van	Year born 1967	Son
3. Do, Ngoc-Lan Thi	Year born 1977	Daughter
4. Do, Ngoc-Chau Thi	Year born 1979	Daughter
5. Do, Chau Thai	Year born 1982	Son
6. Pham, Tuyet-Linh Thi	Year born 1972	Daughter in-law

On April 21, 1998, all six of us got to interview by officer of USA Embassy, resulted only get approval for three person, other three: Do, Ngoc-Lan Thi, Do, Ngoc-Chau Thi and Do, Chau Thai, cannot get approve. Reason: insufficient documents.

After settlement at USA, it made me sadden a lots, I think back what was wrong, why me? Is that, because I am poor, because my education under third grade, I upset my self, It made me feel sorrow, like the hen should protecting the chicks and fight back the Crown, I did not, I abandon them, I run for my life and now I am worry.

Since my husband pass away, I had to do everythings my self, first things I only think of is how to have foods on table, how to have a decently, warm cloths for them.

Dear Sir and Maddame:

May I take your few more value minuts of your time to understand why I make a mistake, cause your denied, misunderstanding and kill all my hopes for all my children.

As you know, Mr. Do van Quan and I are illegitimate married, so we do not have marriage certificate, and also as that time, in Vietnam we are not even think that important, specially we living in countryside, small cell, small village, who like to spend times and waste money to apply for those documents like Marriage Certificate, Birth Certificate Etc... Even my elder son's Nghia Do, he must stay home to babysit his young sisters and bothers, he not even know what the word "school" because he never been there, at that time he too young to do labor for hire, My husband and I everyday from dawn to dusk, out the field, help peoples exchange for rice, for foods, until today, Nghia not even know how to write or read.

Then I heard about "Ameri-asian" program from the US government. all I want my children have better future, have education. Then I start loan money, and receive some money from my sister to apply birth certificate for all my children, all documents requiring to apply for O.D.P.

That main reason why all documents signed same day.
I am truly to tell you the truth of my life, Also I am willing to take DNA test to prove that all three: Ngoc-Lan, Ngoc-Chau and Chau Do are my own child.

I Swear: Under penalty of perjury according to the law of the United States of America, I solemnly declare that the statements made in this letter are true and correct

I am humble to request with your power, to help me, help my children to reunion their family.
I am praise the Lord, God give you all happiness, good health.

Respectfully yours:

Subject: Request to re-evaluate case number IV 384762/PAMI-3127 and approve for the rest of my children to come to the United State of America.

Dear Sir/Madam,

My name is Dung Thi Do. I am the mother of Nghia Do who was the head of case number IV 384762/PAMI-3127. I would like to request a re-evaluation of this case and approval for the rest of my children to come to the United States of America.

We applied for O.D.P under the Amerasian Program in November of 1997. All six of us were interviewed on April 21st 1998, and the results were as follows:

Name	Year born	Relation	Result
1. Do, Nghia Van	1967	Self	Approved
2. Pham, Tuyet Linh T.	1972	Spouse	Approved
3. Do, Dung T.	1946	Mother	Approved
4. Do, Ngoc Lan T.	1977	Sister	Denied
5. Do, Ngoc Chau T.	1979	Sister	Denied
6. Do, Chau Thai	1982	Brother	Denied

My family was devastated when we learned that my three younger children were denied to come. We did not quite understand the reasons for denial because all of us were uneducated (especially my son Nghia, who cannot read and write, even in Vietnamese).

If there were errors in our paper work, please understand that in Vietnam, members of the lowest class like us worried most about making a living. We did not think much about paper work, and as a result, our birth certificates or identifications were recently established.

Now I am here in the U.S., and with the help of some of my relatives, I am begging you to re-evaluate this case, and approve entry for the rest of my children so we can finally be together, ending the suffering caused by separation.

I would also like to let you know that in a short span of time since coming here, (Sept. 1998), all three of us have found jobs. We can support ourselves and we will not be a burden to our society.

Please find the following attachments:

1. Copy of original LOI dated Feb. 10, 1998.
2. Copy of interview form of US Interview Team dated April 21st 1998
3. Permission For Entry of Do Van Nghia dated 12 April 1998
4. Do, Ngoc Lan T. birth verification.
5. Do, Ngoc Chau T. birth verification.
6. Do, Chau Thai birth verification.
7. Request birth verification.
8. Affidavit of Hong Nguyen.
9. For employment verifications, please contact : Qualitel at 425-702-8882.

Please let me know what I have to do for your approval.

My heart felt thanks and gratitude,

Sincerely

dungdo
