Subject: Request to grant a reinterview (File : H15 - 43 - I.V 50891)

I undersigned: DO VAN VEN
Date of birth: 04 Dec. 1939 in Long An. Nationality: Vietnamese
Permanent address: 246/22 Dong Thanh B, My Phouc Ward,
Long Xuyen Town, An Giang Province.

Have the honour to submit this application for your consideration:

On 05/05/1992 I was summoned to attend the interview at the Foreign Affairs Service in Ho Chi Minh City.

After the interview, the Team did not grant me the entry visa as I was not eligible to obtain an entry visa.

During the interview, the Team asked me to submit the Divorce Decree with my previous wife named MAI THI NHI. But I cannot meet the request as in 1972 my separation status from Mrs. Mai Thi Nhu as at that time the authorities regulations forbade the public servants to divorce. I was compelled to live in de facto with Mrs. NGUYEN THI TU up to 26/06/1991 I and Mrs. NGUYEN THI TU was legally married.

As according to the Team's request, I was divorced (on legal status) with Mrs. MAI THI NHI on 12 June 1993 at the District 1 People's Court in Ho Chi Minh City.

As I did not report clearly the family relationship with evidences leading to the Team's refusal. This, I complement the divorce evidence between Ms. MAI THI NHU and me and I hope you will consider to grant me a reinterview and approve me for a resettlement soon in the United States.
