My name is PHUC DOAN HO, a former political prisoner of the Vietnamese communist regime. I am currently residing at

ROSEMEAD CA 91770. TEL: (CALIFORNIA)

Before April 1975, I was a CHIEF VILLAGE PHU THO DIEN BAN
QUANG-NAM VIET-NAM

After the communist came to power, I was imprisoned in a re-education camp from

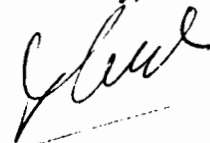

CAMP AN DIEM QUANG-NAM VIET NAM 7-14-1977

Because of that experience I have been admitted to the United States 4/18/1996 in accordance with a subprogram of the ODP program for former political prisoners under a bilateral Agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult on account of the fact that the following unmarried children of mine have been rejected for resettlement despite the fact that for many years the unmarried children were permitted to accompany their parent who were former political prisoners.

1) SU HO

Thus, I hope that you can help me so that our family could be together again. In particular, may I urge that you give your support to Section 595 of the foreign Operation Appropriation Bill H.R.3540 offered by Senator John Mc Cain and enacted by senate on July 26, 1996. The bill will be considered by the Conference Committee in early September, 1996. By making sure that this section remains in the final Act, you will be helping many families of former Vietnamese political prisoners who are in the same sad situation as mine. Many, many thanks for your kind assistance.

Sincerely,

NANCY PELOSI (D. CALIFORNIA)
