Date: August 12, 1997

To: The Director of ODP, Bangkok, Thailand

Dear Sir/ Madam,

My name is Ho, Muoi van and my wife is Le, Tu Thi. We are writing this letter to you to make a request that you review my son whose case was turned down for immigrating to the U.S.A as unmarried children above 21 year old of re-education camp retainers.

On August 6, 1997, at the interview taking place at the Immigration office of the Foreign Service in Saigon, the interviewer refused to allow my unmarried son- Ho, Dung Hoang, born on January 1, 1970 , immigrate to the U.S to be union with us. The reason for refusal is that his birthday certificate is not original record. As you know, after the fall of Saigon, birthday certificate of my son , which were kept at home, was destroyed by my wife who was afraid of Communist. When I filed the application for HO program, I had to present his new birthday certificate, which is issued by new government. But the interviewer denied this because, as they said, it was not clear enough to prove him as my biological son.

Living alone with my wife in the United States, the my only hope is to be union with my children who I left behind as we immigrated to the U.S one year ago. At that time, they were not allowed to go with me, because they are unmarried children above 21 year old.

To prove him as my real son, I already ask my friends and my relatives who have known and worked with me for a long time as my witnesses. Please, find it in this letter the signatures of the following persons: Mr. Pham, Sanh Van and Mrs. Ho, Thanh Thi.

Once again, I would like to restate that Ho, Dung Hoang is my son born by my wife- Le, Tu Thi and raised by us. We looked for all resources that might have my son's original record before 1975, but none of any places had anything. If you still doubt the truth of our family's relationship, if is available, we all would like to take blood test or DNA tests to prove our real biological relationship.

Please, reconsider my son's case with your generosity so that my son- Ho, Dung Hoang will be reunited with us in the U.S. We really need him to be here with us, because we are getting older and we are afraid that we would not have a chance to see him again. We really appreciate for your consideration.

Your sincerely,

A handwritten signature in black ink, appearing to read 'Ho, Muoi Van'.

Dear Mr. Pendergrass:

I am writing on behalf of my (son, daughter, children),

HO, VIET HOANG , DOB : 8/6/1959 , BORN IN VIETNAM

HO, DUNG HOANG DOB: 1/1/1972 born in vietnam

ADDRESS : 152/9 long thuan A, Long phuoc, Long ho,vinh long, VN

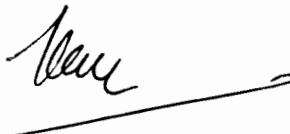

I believe that (his, her, their) status under the eligibility guidelines of the Orderly Departure Program (ODP) is affected by the McCain Amendment of the 1997 Foreign Operation Act which restores eligibility to the unmarried over-21 sons and daughters of the former Vietnamese political prisoners.

I request that ODP check the case(s) according to the case numbers provided above and confirm for me that the son(s) or daughters(s) listed above are eligible and part of the group that ODP is now contacting to invite to interview. If a new letter of introduction has already been sent, I would appreciate knowing the date it was sent and to what address in Vietnam. That will help me ensure it arrives.

I appreciate that your office is busy with many cases, but my family and I are equally anxious to ensure that the case of our children be reconsidered under the new law before their eligibility expires.

On behalf of my family, I thank you for your help in this matter.

Sincerely,
