SUBJECT : Request for reconsideration.

Dear Sirs,

I, the undersigned LE-VAN-NEN respectfully request your favorable reconsideration my son's demand to settle in the U.S. with my family as he was rejected at The Interview on April 8, 1991, due to the reason : Not to meet the requirements :

My son.....: LE-ANH-DUNG
Birth date...: February 17, 1956
Birth place...: Saigon

applied for divorce with his wife named VU-LIEN-TAM, born on 1958, before my application for Exit-Permit was handed in November 1988. His application for divorce was submitted in The People Court in HOCHIMINH City but no final decision was made as he was summoned back and forth several times for compromise. He was finally issued a Divorce-Certificate at the very end of 1990. As much time spent in such complicated bureaucracy, his Divorce-Certificate became void at the said interview.

After April 30th, 1975 - I was in reeducation Camp and my son, at the conscript age, had to avoid doing the military service by moving to live with his uncle-in-law in countryside and was back in City again in the end of 1976.

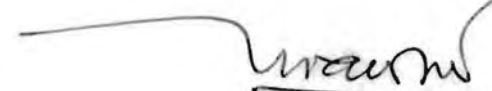

Once again, I beg your kind reconsideration to have my son re-interviewed, so that he can accompany my family to the U.S. under the true humanitarian project.

Awaiting your approval, my whole family always remains.-

Yours Respectfully.
