Dear Mrs. Tho,

We are writing this letter in regard to our niece's admission to the United States. Our niece, Ms. Tu Cam Le, escaped from Vietnam by boat and arrived to Phillipines in June 1989. Tu has remained in Palawan Island one and half year awaiting an interview from the American Committee in Phillipines. Understanding that the Committee is extremely difficult in reviewing the refugees status, Tu is very concerned that her case might be denied and she might be sent back to Vietnam.

We had submitted all essential documents and legal application to sponsor Tu since September 1989; however, at this time her case has not yet been reviewed.

Tu's father, Mr. Ngoc Trung Le, was a Colonel of the South Vietnam military, he was sent to forced re-education for 10 years by the Vietnamese Communist regime. In June 1985, he received a Letter of Introduction (LOI) from the US Embassy in Thailand, file number ODP-12 (0413F:6/85), VEWL# 33924. Tu is one of the family members who were listed in this letter. They all received Exit Permits from the Vietnamese authorities in October 1990, more than one year after Tu arrived to Phillipines.

Unfortunately, we do not know when her family in Vietnam will be scheduled for an interview with the United States representatives. We hope that Tu would be admitted to the United States and be united with her family here. If Tu is sent back to Vietnam while her family is on their way to the United States, she could never be able to reunite with her family.

We are writing this letter to explain our niece, Ms. Tu Cam Le, situation and to plead for your assistance in helping Tu's case be reviewed soon and her admission to United States be granted. We also attach the LOI letter that we mentioned above for your review.

We sincerely thank you for your help and wish you and your family a very happy new year.

Sincerely,
Phung Thi Le

INSTRUCTIONS

Enclosed is a Letter of Introduction which you should send to your relatives in Vietnam to help them obtain Exit Permits from the Vietnamese authorities. To the best of our knowledge they should first apply at the People's Committee of the district or village in which they live. They should present this Letter of Introduction when they apply.

We have already included the names of your relatives on a list of persons whom we have conditionally accepted for movement to Thailand, where they can apply for admission to the United States. We sent this list to the United Nations High Commissioner for Refugees (UNHCR), to be passed to the Vietnamese authorities. This list will not be available to the local authorities where your relatives live, but your relatives' number on that list is given in the enclosed Letter of Introduction.

Please understand that a Letter of Introduction does not guarantee that your relatives will receive exit permission. The Vietnamese authorities in Hanoi have asked us to provide such letters, but the local authorities may not always act on them. We have no control over the Vietnamese authorities at any level. At this point, we (and you) have done all we can do; getting an Exit Permit depends now on your relatives and the Vietnamese authorities. Your relatives may have to apply several times. There is nothing we can do to help.

Please keep us informed of any change in your address, or in the address of the persons named in the Letter of Introduction. Always refer to their file (IV) numbers when you communicate with us.

Once Exit Permits have been issued your relatives should ask for an interview by the UNHCR, and a medical examination. Our address when writing from the United States is:

American Embassy - Box 58
APO San Francisco 96346-0001

Our address when writing from Vietnam is:
