ODP Office at Bangkok

Dear Sir (Madam):

My name is DOI VAN LE, born 11-5-1933, I arrived USA on 8-22-1995 under H.O. program #39/0002.

I am a US permanent resident now with SSN # _____

Please help me with this matter: I have my first born son named THANH DUY LE aka HUNG KHAC LE.

My son served in the military under the previous government of VietNam, he was captured by the Republic Socialist of VietNam and was admitted in the re-education camp on April 7th, 1975 and was released on Nov 4th, 1979.

My son applied paperwork to united with me in the USA under the HO program but was denied twice due to paper work related to his time in the re-education camp and his individual ID paperwork.

Again I would like to submit all paperwork I can find that related to my son THANH DUY LE aka HUNG KHAC LE at the time he still be in the prisoner camp. I myself served with the US Consulate at Quang Ngai city under Mr. Roberson and Mr. Don Kitter before the year 1975. I worked with them until the Tet Offensive event back in 3-1969 I was injured during a military operation and was treated at US military hospital.

I and my son HUNG KHAC LE were captured at the same time in 1975 and were put under the re-education camp program.

It's very difficult to keep all paperwork under war conditions, therefore I hoped that you reconsider and help us with this matter as soon as possible.

Sincerely,

DOI VAN LE

THE IMMIGRATION AND NATURALIZATION SERVICE
OF THE UNITED STATES OF AMERICA

Dear/Kính gửi Le rung (7) : IV# 1041-476
(ODP applicant/Tên người dùng đơn)

1) We regret we are unable to approve your application for refugee resettlement admission to the United States.

To be resettled in the United States as a refugee, an applicant must meet the statutory definition of refugee contained in section 101(a)(42) of the Immigration and Nationality Act (INA), as amended. Refugee status can be approved only if the applicant establishes a credible claim of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion. Additionally, all applicants for refugee status in the United States must establish that they are not precluded from entry into the United States under other sections of law.

During your interview with an officer of the United States Immigration and Naturalization Service (INS), your claim to having been persecuted or having a well-founded fear of persecution was reviewed. At that time, you were given the opportunity to present evidence, documentation, and/or an accumulation of detail through verbal testimony of the events or circumstances that support your claim of persecution or a well-founded fear of persecution. After carefully reviewing your account of these events and surrounding circumstances, it has been determined that you do not qualify for refugee status.

2) You may be eligible for Public Interest Parole (see attached letter).

3) We are unable to approve your application for resettlement in the United States under the Public Interest Parole program because you do not meet the criteria indicated below:

3a) Married sons and daughters (of former re-education camp detainees who are eligible as refugees) must have approved petitions filed on their behalf, or on behalf of their spouse, by a sibling or closer relation who is currently residing in the United States, who is willing to pay transportation costs, and who demonstrates that he/she has the financial ability to support the parolees to ensure they do not become public charges.

3b) Former US government or private company employees who are not eligible for refugee status may be considered for public interest parole only if they have siblings or closer relations currently residing in the United States who are willing to pay transportation costs and demonstrate that they have the financial ability to support the parolees to ensure they do not become public charges.

3c) Unmarried children of former US government or private company employees who are approved as Public Interest Parolees are allowed to accompany their parents to the United States only if the children are under the age of twenty-one.
