Dear : Congressman/Congresswoman.

The Honorable CHARLES WILSON (TEXAS)

My name is HUNG VAN LE, a former political prisoner of the Vietnamese communist regime. I am currently residing at .

Before April 1975, I was a Lieutenant Service # 67/804136. Battalion 2/Regiment 14/Division 9 in the armed forces of the Republic of Vietnam. After the communists came to power, I was imprisoned in a re-education camp from July 18, 1977 to October 30, 1980 camp Minh Hai.

Because of that experience I have been admitted to the United States on April 30, 1996 in accordance with a subprogram of the ODP program for former political prisoners under a bilateral Agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult on account of the fact that the following unmarried children of mine have been rejected for resettlement despite the fact that for many year the unmarried children were permitted to accompany their parents who were former political prisoners.

1/LE THI HOANG DUNG Date of Birth : June 10, 1972 (Daughter).

2/LE QUOC DUNG Date of Birth : October 08, 1974 (Son).

Thus, I hope that you can help me so that our family could be together again. In particular, may I urge that you give your support to Section 595 of the Foreign Operations Appropriation Bill H.R. 3540 offered by senator John McCain and enacted by the Senate on July 26, 1996. The bill will be considered by the Conference Committee in early September, 1996. By making sure that this Section remains in the final Act, you will be helping many families of former Vietnamese political prisoners who are in the same sad situation as mine. Many, many thanks for you kind assistance.
