Dear HỒI GIA ĐÌNH TỰ NHÂN CHÍNH TRỊ
VIỆT NAM.

My name is TAM VAN NGO, at former political of the Vietnamese communist regime. I am currently residing at and my Tel

Before April 1975, I was a second Lieutenant in the armed forces of the Republic of Vietnam, Training Center of the Second Corp Tactical Zone Re Transmission (Trung Tâm Huấn Luyện Vùng 2 Tiếp Vận). After the communist came to power, I was imprisoned in a re education camp from May 01, 1975 to May 06, 1978 at F500 TAY NINH and FLA NGA DONG NAI province.

Because of that experience I have been admitted to the United States on Dec 11, 1995 in accordance with a subprogram of the Orderly Departure Program for former political prisoners under a bilateral agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult because the following unmarried children of mine have been rejected for resettlement despite the fact that for many years unmarried children were permitted to accompany their parents who were former political prisoners

Thus, I hope that you help me so our family could be together again. In particular, may I urge that you give your support to Section 895 of the Foreign Operation Appropriation Bill H.R 3540 offered by Senator John McCain and enacted by the Senate on July 26, 1996. The bill will be considered by the Conference Committee in early September 1996. By insuring that this Section remains in the final Act, you will be helping many families of former Vietnamese political prisoners who are in the same sad situation as mine. Many many thanks for your kind assistance.

Sincerely
Tight
