Tam Nguyen
ex prisoner of war after 17 years

Goeland, December, 23/93

Dear sirs,

I would like to please to ask you to intervene with the Vietnamese Communist Government to set free my brother, Nguyen, An. My only brother is a Major, district chief of Hải Yên, An Xuyên Province, South Vietnam, before 1975. After South VN fell into the hands of the Vietnamese Communist on April, 30-1975, he was put in jail from May 14/1975 to 02/08/83. No sooner was he set free from Communist prison in 1983 than he was arrested in 1984, and convicted to death with a so-called conspiracy to overthrow the Communist Government. He is imprisoned now, at Z304, Xuân Lộc, Đồng Nai concentration camp, South VN

I am anxious to know about his health, because he has lost his sense of reason and has tuberculosis of the lungs, his wife has just died on May, 15/1993 and his children were scattered.

I hope that I may hear from you soon. /-

Respectfully yours
Tam Nguyen
