Dear Senator:

My name is HOAI NGUYEN HONG, DOB: 3/17/32, a former political prisoner of the Vietnamese communist regime. I am currently residing at WESTMINSTER, CA 92683, Phone

Before April 1975, I was a Captain, Serial # 52A/600.309, Vietnam Air Force Headquarters, APO 3011, in the armed forces of the Republic of Vietnam. I was trained in the United States in Wyoming (F.E. Warren AFB) in 1955, in Colorado (Colorado AFB) and in Texas (Webb AFB) in 1972, in Okinawa (Kadena AB) in 1959 and in Philippines (Clark AB) in 1964 under the U.S. Government auspices.

After the communists came to power, I was imprisoned in a re-education camp from 6/24/1975 to 5/16/1978 at Long Khanh, Long Giao, Katum and Long Khanh and I was forced to go to the New economic zone for hard labour after released in 1978.

Because of that experience I have been admitted only with my wife to the United States on 5/11/1995 (Ho. 31-712) in accordance with a subprogram of the ODP program for former political prisoners under a bilateral Agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult on account of the fact that the following unmarried children of mine have been rejected for resettlement despite

the fact for many years the unmarried children were permitted to accompany their parents who were former political prisoners.

My name is HOAI NGUYEN HONG, DOB= 3/17/32, a former political prisoner of the Vietnamese Communist regime.

I am currently residing at WESTMINSTER, CA 92683, Phone

Before April 1975, I was a Captain, serial # 524/600.309, Vietnam Air Force Headquarters, APO 3011, in the armed force of the Republic of Vietnam. I was trained in the United States in Wyoming (F.E. Warren AFB) in 1955, in Colorado (Colorado AFB) and in Texas (Webb AFB) in 1972, in Okinawa (Kadena AB) in 1959 and in Philippines (Clark AB) in 1964 under the U.S. Government auspices.

After the Communists came to power, I was imprisoned in a re-education camp from 6/24/1975 to 5/16/1978 at Long Khanh, Long Gioa, Katum and Long Khanh and I was forced to go to the New economic zone for hard labour after released in 1978.

Because of that experience I have been admitted only with my wife to the United States on 5/11/1995 (Ho-31-712) in accordance with a subprogram of the ODP program for former political prisoners under a bilateral Agreement between Vietnam and the United States. While I am grateful for the chance to resettle in the United States, my resettlement has been made extremely difficult on account of the fact that the following unmarried children of mine have been rejected for resettlement despite the fact for many years.

the unmarried children were permitted to accompany their parents who were former political prisoners.

Many, many thanks for your kind assistance.
