P.O. Box 5435

Arlington

VA 22205-0635

Dear Hanh Minh Tha.

This is in response to your inquiry of Jun 21, 1989  
regarding the above mentioned ODP applicants.

This case was opened on the basis of an Affidavit of Relationship (AOR)  
No action is currently being taken on it as it is not eligible for  
issuance of a Letter of Introduction (LOI).

ODP is only reviewing for and issuing LOI's to cases which are based  
on current or near current Immigrant Visa petitions or cases in  
which one or more of the applicants spent a minimum of 4 1/2  
years in reeducation. No further action will be taken on this case  
until it falls into one of those categories.

If anyone in the U.S. is eligible to file an IV petition for the  
individuals on this case it is recommended that they do so.  
Attached is information on the filing of petitions.

If anyone on this case has spent time in a reeducation camp as a  
result of his/her close association with U.S. policy and programs in  
Vietnam, a clear copy of their reeducation camp release should be  
sent for inclusion in the file. If anyone on the case was employed  
by the U.S. government in Vietnam or had other close association  
with U.S. policy and programs in Vietnam, information regarding this  
association should also be sent. While we are not currently issuing  
LOI's to such cases unless they also spent time in reeducation, this  
policy may change in the future.

If the applicants on this case should appear on a list of names  
presented by the Vietnamese indicating that they will be available  
for interview, their eligibility for the program will be considered  
at that time.

Sincerely,

U.S. Orderly Departure Program

\* Please see note attached

P.S. We note from your letter that Nguyen Minh Dac spent his time in reeducation camps. However, we are currently reviewing and issuing LOI only refugee applicants with long term interest in reeducation camps. Given the large number of this type of case on file with the ODP it is impossible to determine when this case might be reviewed.
